Gertrude Interlink World Fiction:

Gertrude Stein Francesca Wade,2025-10-07 Drawing on never before seen interviews a richly researched sweeping examination of one of the most influential and mythologized literary figures of the 20th century and her partner s emergence from the shadows after her death in the decades long fight to ensure her legacy Gertrude Stein s salon at 27 rue de Fleurus in the 6th arrondissement of Paris is the stuff of literary legend Many have tried to capture the spirit and glamour of the place that once entertained and fostered the likes of Ernest Hemingway F Scott and Zelda Fitzgerald Pablo Picasso and Henri Matisse but perhaps none as determinedly and self consciously as Stein herself In this new biography of the polarizing trailblazing author collector salonni re and tastemaker Francesca Wade rescues Stein from the tangle of contradictions that has characterized her legacy expertly presenting us with this towering literary figure as we ve never seen her before A genius to her admirers a charlatan to her detractors Stein achieved international celebrity in 1933 with her bestselling memoir The Autobiography of Alice B Toklas written in the voice of her devoted partner a triumph which ironically only drew attention away from the avant garde poetry she called her real writing After Stein s death in 1946 Alice B Toklas made it her mission to shepherd all of Stein s unpublished writing into print all the while negotiating her own fraught role in the complex mythology they had built together The biographers who flocked to Stein s newly opened archive found a surprising trove of secrets which would change Stein s image forever a forgotten novel a cache of love letters and a series of notebooks which shed entirely new light on her early years in Paris Pushing beyond the conventions of literary biography Gertrude Stein An Afterlife is a bold innovative examination of the nature of legacy and memory itself in which Wade uncovers the origins of Stein s radical writing and reveals new depths to the storied relationship that made it possible A captivating brilliant work of biography Gertrude Stein An Afterlife is a groundbreaking examination of a true literary giant **Gertrude** Hassan Najmi,2013-11-03 As Hassan Najmi s acclaimed novel begins our unnamed narrator befriends an elderly man Muhammad who as a young man worked as a tour guide in the city of Tangier Muhammad tells the narrator about his most famous clients the renowned Gertrude Stein and her companion Alice Toklas who on the recommendation of Henri Matisse hired Muhammad as their guide when they visited Morocco Now close to death Muhammad begs the narrator to take his papers and write his life story We learn that Muhammad accepted Stein s invitation to visit her in Paris He participated in Stein s famous salon meeting the many luminaries in Stein s circle As the narrator is drawn into Muhammad s story he finds himself also drawn to a beautiful African American woman who becomes as interested in the story of Stein s visit to Morocco as she is in the young Moroccan who is researching it Together they continue their quest into the past to rediscover Stein in a novel that bursts with different varieties of passion at the hands of a master storyteller and poet The American Novel 1870-1940 Priscilla Wald,Michael A. Elliott,Jonathan Arac,2014-02 Witnessing the end of a war that nearly terminated the nation the abolition of racial slavery and rise of legal segregation the rise of Modernism and Hollywood the closing of the
