Epistles Book I Cambridge Greek And Latin Classics:

Epistles Book I Horace, 1994-09-22 This accessible volume comprises an edition with introduction and commentary of the first book of Epistles of the Roman poet Horace

Concepts and Functions of Philhellenism Martin Vöhler, Stella Alekou, Miltos Pechlivanos, 2021-01-18 Key aspects of philhellenism political self determination freedom beauty individual greatness originate in antiquity and present a complex reception history The force of European philhellenism derives from ancient Roman idealizations which have been drawn on by European movements since the Enlightenment How is philhellenism able to transcend national cultural and epochal limits The articles collected in this volume deal with 1 the ancient conceptualization of philhellenism 2 the actualization and politicization of the term at the time of the European Restoration 1815 30 and 3 the transformation of philhellenism into a pan European movement During the Greek struggle for independence the different receptions of philhellenism regain a common focus philhellenism becomes an inextricable element in the creation of a pan European identity and a starting point for the regeneration and modernization of Greece It is easy to criticize the tradition of philhellenism as being simplistic naïve and self serving but there is an irreducibly utopian element in later philhellenic idealizations of ancient Greece

2013 Massimo Mastrogregori, 2017-11-20 Every year the Bibliography catalogues the most important new publications historiographical monographs and journal articles throughout the world extending from prehistory and ancient history to the most recent contemporary historical studies Within the systematic classification according to epoch region and historical discipline works are also listed according to author's name and characteristic keywords in their title

Critica Egil Kraggerud, 2020-09-03 Gathering together over 60 new and revised discussions of textual issues this volume represents notorious problems in well known texts from the classical era by authors including Horace Ennius and Vergil A follow up to *Vergiliana Critical Studies on the Texts of Publius Vergilius Maro* 2017 the volume includes major contributions to the discussion of Horace's *Carmen IV 8* and *IV 12* along with studies on Catullus *Carmen 67* and Hadrian's *Animula vagula* as well as a new contribution on Livy's text at *IV 20* in connection with *Cossus's spolia opima* and on Vergil's *Aeneid 3 147 152* and *11 151 153* On Ennius the author presents several new ideas on *Ann 42 Sk* and *220 221* and in editing Horace he suggests new principles for the critical apparatus and tries to find a balance by weighing both sides in several studies comparing a conservative and a radical approach *Critica* will be an important resource for students and scholars of Latin language and literature The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Reading Dionysus Courtney J.P. Friesen, 2015-07-17 Courtney J.P. Friesen explores shifting boundaries of ancient religions by way of the reception of a popular tragedy Euripides *Bacchae* As a play staging political crises provoked by the arrival of the foreign god Dionysus and his ecstatic cult audiences and readers found resonances with their own cultural moments This dramatic deity became emblematic of exuberant and liberating spirituality and at the same time a

symbol of imperial conquest Thus readings of the Bacchae frequently foreground conflicts between religious autonomy and political authority and between ethnic diversity and social cohesion This cross disciplinary study traces appropriations and evocations of this drama ranging from the fifth century BCE through Byzantium not only among pagans but also Jews and Christians Writers variously articulated their religious visions over against Dionysus often while paradoxically adopting the god's language and symbols Consequently imitation and emulation are at times indistinguishable from polemics and subversion

The Classical Review, 1907 This companion to the Classical Quarterly contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome Over 300 books are reviewed each year

Classical Commentaries Christina Shuttleworth Kraus, Christopher Stray, 2016 This rich collection of essays by an international group of authors explores a wide range of commentaries on ancient Latin and Greek texts It pays particular attention to individual commentaries national traditions of commentary the part played by commentaries in the reception of classical texts and the role of printing and publishing

De arte poetica Horace, 1989-12-07 This volume fulfills the need for a student edition of Horace's literary epistles which have recently been the subject of renewed scholarly interest Professor Rudd provides a clear introduction to each of the three poems the Epistles to Augustus to Florus and to the Pisones the so called Ars Poetica He sketches the historical context in which the poems were written and comments on their structure and purpose He also discusses their literary preoccupations the relations of poet and patron and the role of poetry in the state Augustus the problems of a professedly tiring poet Florus and the presentation of classical poetic theory Ars Poetica He notes Horace's influence on later criticism drawing attention in one section to one of Alexander Pope's Imitations He also addresses problems of grammar and style focusing on linguistic difficulties and the subtle movement of the poet's thought

Augustan Poetry. New Trends and Revaluations Paulo Martins, 2018-12-31

The Classical Legacy in Renaissance Poetry Robin Sowerby, 1994 The formative influence of the Graeco Roman classics was fundamental to the creation of literary culture in the Renaissance Through detailed analysis this book illustrates the classical legacy as it was known in the Renaissance It then shows how that legacy was received in translation transformed in imitation and put to creative uses by Renaissance poets working in genres under classical influence
