STORY IDEAS

- It all began on a typical day, as I was walking through the store. Then, he stopped me and told me I had to listen to him closely. He said that my life depended on it.
- As I looked down at the body, I thought to myself, "It wasn't supposed to end like this."
- At first, it felt like a joke, as if someone was playing a prank on me by sending nonsense text messages over and over again. But now, I was starting to wonder if there was something more to these messages.
- I began to pick up the pace. The footsteps were getting closer, and I could tell the person — or the thing — was walking faster. I knew what they wanted, but I wasn't about to give it up.
- The trip was a dream come true. I was staying with my new husband in a castle in Scotland. There was a chill in the autumn air, and I felt like there had never been a more romantic place in the world. Unfortunately, that feeling quickly subsided at nightfall. Once the darkness settled in, the ambiance quickly shifted. It was no longer quaint and charming. In fact, it was quite terrifying to be within the castle's stone walls.

Once you have an idea, you can use that idea as leverage to get yourself into the movie game. If your main goal is to be a screenwriter, you still need to start with a good idea, which can help you make a deal to write your script for a studio, or you might choose to just sell your idea or your story. Successful producer Robert Kosberg has never met anyone who didn't have an idea. And this book will help you to learn how to find ideas, create ideas, and pitch them to the right people. You'll also learn what a high-concept idea is and, most importantly, how to get your ideas to the right people. It has everything you need to know to sell your ideas to the movies. If you never thought you had something to offer the movie business, you do.
