

People criticizing Nosferatu for 'romanticizing abuse' don't seem to understand the essence of Gothic romance and literature. These stories aren't meant to make you feel comfortable or align with conventional morality. Gothic romance thrives in the tension between beauty and horror, weaving together the sublime and the grotesque to evoke emotions that are complex, raw, and hauntingly human. It's not about endorsing behavior—it's about exploring the darker corners of desire, fear, and the human condition. 💞💀
