Amazon Kindle Free Days Gordon Owen @ iGO eBooks,2014-12-10 A few years back when there was a huge demand for Kindle books with little competition and no restrictions put on sites by Amazon if you had the right kind of book it was possible to put it up on a free day with no promotion and get thousands of downloads At the time there were no verified purchase labels and no checks so lots of people were buying Fiverr ads that gave them 2 3 reviews for 5 This gave readers the impression that these books were well worth buying The Kindle devices had limited display features so the quality of the book formatting did not matter as much as it does today People had to download a sample to get a proper look at the book so in the case of a free book it was easier just downloading the whole thing than the possibility of virtually downloading it twice This book is one of more than 30 e Books in the genre subject matters of fundraising governance organisational ePublishing material series [Teach Yourself VISUALLY Fire Tablets](#) Elaine Marmel,2014-11-24 A guide to getting the most out of your Fire tablet Learn to find and read new bestsellers through the Kindle app browse the app store to find top games surf the web send e mail shop online and more
