The Wealth Creator's Playbook John Christianson, 2019-03-22 An advisor to many of today's most successful wealth creators explains how to align your values with your wealth including the ways in which it is earned, managed and spent to maximize both wealth and personal fulfillment. Money is something most people fantasize about; if only financial independence became a reality, then life would be easier and more fulfilling. Wealth creators soon discover that while money provides incredible opportunities, it can also bring unexpected consequences: isolation, relationship challenges, and a lack of purpose that are often byproducts of achieving financial success. Wealth is a gift that involves practical, psychological, and spiritual stewardship. Wealth creators desperately need advice they can trust to maximize, not just manage, the gift of wealth. Drawing on wisdom from John Christianson's 25 years of experience advising some of the most successful wealth creators in the country, this book explores money, emotional intelligence, roadblocks around money and relationships, kids and money, generosity, identity, and aligning your values with your money. *The Wealth Creator's Playbook* is the go-to guide for individuals who are chasing financial success and the richness of a deeply fulfilling life.

The Idea in You Martin Amor, Alex Pellew, 2015-09-03 Take your passion and make it happen with *The Idea in You* by Martin Amor and Alex Pellew. Do you have an idea in you? A hobby, a project, a product, something that could change your life? *The Idea in You* is a bulletproof system for finding the right idea and shaping it into a success on your own terms. With advice from the people behind the likes of Pizza Pilgrims, Parkrun, and Decoded, *The Idea in You* will show you what to expect, how to think, and what to do when launching your own venture. Making your idea happen is possible, and it will be one of the most inspiring and energizing experiences of your life. What are you waiting for? A wonderfully inspirational book that will help unleash your ideas on the world. Michael Acton Smith, creator of Moshi Monsters. Every great business starts with an idea; this book will help you find yours. Richard Reed, co-founder of Innocent Drinks. It seems to me that many could be creators; simply lack support in their lives, someone genuine who listens to their ideas and pushes boundaries to make it all seem possible. Alex and Martin must recognize this too, because their book is a generous offer of encouragement and spirit, a drum beat that stirred my creative confidence. Zach Klein, co-founder of Vimeo.
