Do It Yourself City Church Restoration:

Do It Yourself City Church Restoration Doug Perry, 2011-09-26 A ground breaking book about what the church is supposed to be how God feels about what we've built and what it's going to take to fix it all A complete paradigm shift for nearly everyone will be required Many have tried before and some are trying even now but there is ONE way to get this done right and that's getting out of God's way But hardly anybody seems to know how to do that Author Doug Perry is not theorizing about what it should look like He speaks from real experience in DOING the things he writes about and hearing God direct all his steps Do you have any idea how hard it is to NOT lean on your own understanding Prov 3:5-6 Lots more great resources for personal and church growth from Fellowship Of The Martyrs publishing If you're a church planter or church growth consultant or any other kind of professional pastor prophet priest apostle bishop or whatever else you might be you better read this before you do anything else It might just wreck you forever It might just make you a broken and contrite vessel that will be useful for God's purposes
