Do Tell Stories By Atheists And Agnostics In Aa:

Do Tell! Roger Paul Couvrette, 2015-05 This book contains thirty stories an equal number by women and men by atheists and agnostics who tell us what it was like what happened and what it s like now as they made their way to a life of long term sobriety within the rooms of Alcoholics Anonymous Storytelling is the essence of AA It is in sharing our experience strength and hope in recovery that we are able to help others within our Fellowship The diversity and richness of the stories contained in Do Tell will no doubt be an inspiration and provide important support to nonbelievers within the often overly religious fellowship of Alcoholics Anonymous

Experiences of Atheists and Agnostics in Alcoholics Anonymous Brent Andrew Haagenson, 2020 Experiences of individuals who are chemically dependent identify as atheist or agnostic CDAOA and utilize Alcoholics Anonymous AA to maintain sobriety are explored The collection of stories included in Do Tell Experiences of Atheists and Agnostics in AA by the independent publisher AA Agnostica were analyzed using an open coding process to determine themes and subthemes common to the experiences of these CDAOA individuals Research findings suggest that CDAOA individuals reported having negative interactions in AA based on their atheist or agnostic identity Nevertheless it is proposed the CDAOA population can successfully utilize AA as a resource for recovery from addiction with the use of adaptation and reliance on the more social and broadly spiritual components of the program These findings may inform both the target population of chemically dependent individuals as well as clinicians in the field of addiction and psychology of the potential benefits of AA for those identifying as atheist and agnostic

Design for Living Alex M., 2018-03-24 How does an alcoholic work the 12 Steps of A A if they do not believe in God The 12 Steps are the foundation of A A s program of recovery and five of those steps are based on God Since A A describes itself as a spiritual Fellowship many new to A A are confused why a Christian God lies at the center of the 12 Steps and may mistakenly assume that believing in God is required to participate in A A and recover from alcoholism As a life long atheist in Design For Living the author shares how anyone regardless of their beliefs can achieve sobriety through the 12 Steps of A A His approach compliments his companion book *Daily Reprieve A A for Atheists Agnostics* in which he discusses how atheists agnostics freethinkers humanists and non Christians can use the Big Book of Alcoholics Anonymous as an effective recovery guide Design For Living is divided into three parts The Preface provides some background on the author and his experience along with information about the content of the book The Daily Meditation section consists of the author s experience working through each of the 12 Steps The last section contains a sample copy of an eight week Step Study Guide

Trauma and the 12 Steps, Revised and Expanded Jamie Marich, 2020-07-07 An inclusive research based guide to working the 12 steps a trauma informed approach for clinicians sponsors and those in recovery Step 1 You admit that you re powerless over your addiction Now what 12 step programs like Alcoholics Anonymous AA and Narcotics Anonymous NA have helped countless people on the path to recovery But many still feel that 12 step programs aren t for them that the spiritual emphasis is too narrow the modality too old school

the setting too triggering or the space too exclusive Some struggle with an addict label that can eclipse the histories traumas and experiences that feed into addiction or dismisses the effects of adverse experiences like trauma in the first place Advances in addiction medicine trauma neuropsychiatry social theory and overall strides in inclusivity need to be integrated into modern day 12 step programs to reflect the latest research and what it means to live with an addiction today Dr Jamie Marich an addiction and trauma clinician in recovery herself builds necessary bridges between the 12 step s core foundations and up to date developments in trauma informed care Foregrounding the intersections of addiction trauma identity and systems of oppression Marich s approach treats the whole person not just the addiction to foster healing transformation and growth Written for clinicians therapists sponsors and those in recovery Marich provides an extensive toolkit of trauma informed skills that Explains how trauma impacts addiction recovery and relapse Celebrates communities who may feel excluded from the program like atheists agnostics and LGBTQ folks Welcomes outside help from the fields of trauma dissociation mindfulness and addiction research Explains the differences between being trauma informed and trauma sensitive and Discusses spiritual abuse as a legitimate form of trauma that can profoundly impede spirituality based approaches to healing

Don't Tell Roger Paul Couvrette, 2014-04 Don t Tell contains a total of 64 stories and essays mostly by agnostics and atheists in AA originally posted on the website AA Agnostica over the last three years These were written by over thirty men and women from three countries the United States Canada and Great Britain The book is a diverse and eclectic sampling of writings by women and men for whom sobriety within the fellowship of AA had nothing at all to with an interventionist God Don t Tell is an important book for anyone interested in the future of Alcoholics Anonymous and the future of alcoholism recovery From the Foreword by Ernest Kurtz Author of Not God A History of Alcoholics Anonymous and William White Author of Slaying the Dragon The History of Addiction Treatment and Recovery in America

A History of Agnostics in AA Roger Paul Couvrette, 2017-04 This book is an inspiration for those uncomfortable with the God bit in 12 Step recovery meetings and fellowships A History of Agnostics in AA is a perfect blend of two essential parts for a book of this sort personal experience and research The book is divided into three main parts Our History Problems in AA and Moving Forward The history goes back to Jim Burwell the first atheist in AA and to the very first agnostic AA meetings It also taps into the discrimination against nonbelievers in the fellowship In the second part several problems within Alcoholics Anonymous are discussed and one of these turns out to be Conference approved literature Finally the last part Moving Forward is all about a secular movement gaining momentum within AA promising to make AA less God focused more inclusive and thus more modern The author Roger C is the manager of the website AA Agnostica He was the resident atheist at the Faculty of Religious Studies at McGill University for several years and was treated with genuine respect It is hoped that over time a similar acceptance of nonbelievers in AA and other 12 Step recovery fellowships will be one of the results of A History of Agnostics in AA Our hope is that Alcoholics Anonymous adapts and moves forward with greater inclusivity A

History of Agnostics in AA is meant to contribute to that goal Twelve Steps to Religionless Spirituality Ward B.
