This book describes the synthesis currently occurring between science and metaphysics that reveals the energetic nature of all life and the amazing truth behind physical reality. It discusses the relationship between energy and consciousness and how management of your own energy signature can change your reality and even your physical body. It demonstrates how you can connect to the immense energy available at the higher frequencies of your own being to manifest abundance, love, and peace for yourself, your family, your business, your community, and your world. This book brings together energetic science and universal spiritual intelligence in a way that is understandable and practical. If you are ready to take responsibility for your life and manifest your own magnificence, this is for you. Susan T. Howson, MA, CPCC, PCC, CHBC, founder of Magnificent Creations, Limettee, and Kids Coaching Connection. Reveals how vibration and intention can transform DNA from the standard double helix to its 12-stranded form, unlocking your physical and spiritual potential. Explores the intimate relationship of water and DNA and how they both react to sound and consciousness. Shares ten specific frequencies that resonate with DNA as well as techniques and meditations to activate your 12-stranded DNA for emotional and physical healing, resolution of ancestral trauma, and conscious evolution. In this vibrant guidebook, sound healer and former corporate scientist Ruslana Remennikova reveals how through vibration and intention you can shapeshift DNA from the standard double helix to its 12-stranded dodecahedral form, thereby unlocking your spiritual potential and opening the way for deep

healing of the past the present and the future of your deeper self Examining the alchemy behind the 12 strands of our DNA the author looks at the intimate relationship between water and DNA showing how both respond to vibrational frequencies as well as to consciousness She also shows how unresolved grief creates oxidative stress in the body that targets our cellular mitochondrial DNA leading to psychological and physical illnesses She explains how sound can transform our DNA into an evolutionary activator and healing mechanism helping the body to detox resolve grief and trauma and address stress induced imbalances at the cellular level Sharing techniques and meditations that help you activate all 12 strands of your DNA the author reveals the revolutionary healing powers inherent in each of us for personal healing spiritual transformation and the completion of our human evolution
