What the Bible Really Tells Us Adrian Benard, 2017-05-17

So many of us grow up being constantly reminded about an all-forgiving, merciful, and beneficent deity. All throughout life, it can even be drummed into us that we cannot live happy, purposeful lives without a heavenly father who protects us and grants our wishes through prayer. And if things don't go according to plan, then we are simply told that God works in mysterious ways. But what if we have more questions? What if these things we are being told, taught, and even sold, just don't live up to expectation? *What the Bible Really Tells Us* looks to the very source of many of these doctrines and teachings about divinity and human nature: the Judeo-Christian Bible. In order to unveil some of the reasons why the same questions about God, his nature, and biblical history often reveal different and sometimes inconsistent or even contradictory

answers Exploring issues related to God's nature such as his character qualities and attributes as well as investigating biblical events and figures like Adam and Eve and creation Noah and the flood and Abraham and his chosen lineage It asks us not only to think critically about the factual discrepancies and oddities but also to question why this biblical God or gods as it may be is in fact so similar to ourselves The Bible was written thousands and thousands of years ago but everybody has been conditioned and told to believe it regardless of the facts and sometimes even regardless of the often contradictory and inconsistent passages in the Bible itself Faced with an idiosyncratic God and an incongruous book we can study *What the Bible Really Tells Us* and confront a challenging thought Did God create us or did we create him Wiersbe Bible Commentary 2 Vol Set Warren W. Wiersbe, 2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying God's Word and includes The complete Old and New Testament Genesis to Revelation Section by section commentary Biblical charts Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God's Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible *The Ultimate Luther Collection* Martin Luther, 2023-12-29 In *The Ultimate Luther Collection* Martin Luther a seminal figure of the Reformation presents a compendium of his theological discourses polemics and treatises that challenge the prevailing notions of faith and authority in the early 16th century This collection encapsulates Luther's revolutionary ideas showcasing his mastery of rhetoric and his profound ability to articulate complex theological concepts in accessible language With works addressing the nature of grace Scripture's authority and the individual's relationship with God Luther systematically dismantles the dogmas of the Catholic Church while advocating for a return to the original biblical texts The anthology serves not only as a historical document but also as a reflection of the tumultuous societal shifts of his time firmly placing Luther within the literary and religious context of the Reformation Martin Luther born in 1483 in Germany was a monk theologian and professor whose lifelong quest for spiritual truth led him to challenge the ecclesiastical authority of the era His experiences within the Church and his personal struggle with the concept of salvation informed his writings Luther's famous Ninety Five Theses ignited the Reformation propelling him into the limelight as a leader of a movement that sought to redefine Christian doctrine and practice For those interested in the foundations of modern Protestantism or the historical interplay of religion and culture *The Ultimate Luther Collection* is an essential read It invites readers to engage with Luther's ideas and understand their profound impact on Western thought Whether approached from a theological historical or literary perspective this collection provides a compelling journey through the mind of one of history's most influential figures In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones
