ELEMENTS

Excel window
The Excel window is the main window in which you enter data and formulas. It is divided into three main areas: the menu bar, the toolbar, and the worksheet area. The menu bar is located at the top of the window and contains the following menus: File, Edit, Format, Tools, Window, and Help. The toolbar is located below the menu bar and contains icons for common commands. The worksheet area is the main area of the window and is divided into columns and rows. The columns are labeled with letters (A, B, C, etc.) and the rows are labeled with numbers (1, 2, 3, etc.). The intersection of a column and a row is called a cell. Each cell can contain a number, text, or a formula. The formula bar is located at the top of the worksheet area and is used to enter data and formulas into the selected cell. The status bar is located at the bottom of the window and displays information about the current worksheet, such as the active cell and the number of rows and columns.
