International Trade: The TRIPS Agreement Carlos M. Correa,Abdulqawi A. Yusuf,2016-06-27 The Agreement on Trade
Related Aspects of Intellectual Property Rights TRIPS is the most far reaching and comprehensive legal regime ever
concluded at the multilateral level in the area of intellectual property rights IPR Compared to prior IPR conventions TRIPS
constitutes a major qualitative leap which radically modifies not only the context in which IPR are considered internationally
but also their substantive content and the methods for their enforcement and dispute settlement This much welcomed
treatise now in its third edition thoroughly updates its comprehensive analysis of the substantive provisions of the Agreement
and their actual interpretation and application in different jurisdictions with new material on the burgeoning case law and on
major changes in plant variety protection As in previous editions the book may be relied upon for in depth clarification of
such matters as the following standards established under the agreement enforcement measures social and legal issues legal
and policy possibilities offered legislative latitude allowed to WTO Member States incorporation of TRIPS into domestic law
protection of integrated circuit design protection of innovation and R challenges raised by ongoing technological changes
access to medicines protection of confidential undisclosed information and interface between competition law and
intellectual property protection With fifteen chapters contributed by a distinguished panel of experts representing diverse
parties international organisations legal practice government policy and academia the third edition offers an incomparable
framework for understanding the background principles and complex provisions of the TRIPS Agreement Thoroughly revised

and updated the third edition will be of great value to all professionals and business people concerned with international trade. It stimulates further discussion and analysis in this area of growing importance to international law and international economic relations particularly regarding the possibilities offered by the Agreement and the loose ends that may need consideration in the future at the national or international level.
