Exodus Tales Of The Empire Exploration Command Volume 1:

A ^ATheological Introduction to the Old Testament Mark W. Hamilton,2018-07-02 Ancient Israel s Scriptures have exerted worldwide influence for more than two millennia They explore human experience including the human longing for the divine through the powerful media of story ritual wisdom and prophecy This book retraces the Bible s exploration and shows how not only its conclusions but the steps taken to reach them still matter **Border Security** Peter Chambers,2017-09-27 What kind of a world is one in which border security is understood as necessary How is this transforming the shores of politics And why does this seem to preclude a horizon of political justice for those affected Border Security responds to these questions through an interdisciplinary exploration of border security politics and justice Drawing empirically on the now notorious case of Australia the book pursues a range of theoretical perspectives including Foucault s work on power the systems theory of Niklas Luhmann and the cybernetic ethics of Heinz Von Foerster in order to formulate an account of the thoroughly constructed and political nature of border security Through this detailed and critical engagement the book s analysis elicits a political alternative to border security from within its own logic thus signaling at least the beginnings of a way out of the cost cruelty and devaluation of life that characterises the enforced reality of the world of border security The Athenaeum ,1896 **Mending the Heart, Tending the Soul** Gail Albert, PhD,2012-10 Ancient tradition says that much of the Bible s deepest wisdom lies hidden beneath the surface text Mending the Heart Tending the Soul Gail Albert provides a detailed and practical guide to such deep wisdom providing interpretations contemplative meditations and personal experiences to act as guides for the spiritual journey Exploring texts from Genesis through Deuteronomy Albert traces a path of psychological growth and spiritual transformation that addresses the big questions Who am I What is life about How should I live each day Where is G d How can I find peace Mending the Heart Tending the Soul seeks to speak to your heart at each step of the way on the path toward enlightenment *The Athenaeum* James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1896 **Encountering the God of Faith, Hope, and Love in the Bible** George M.
