Expediente Bagdad Nuevos Tiempos:

Expediente Bagdad Eugenio García Gascón, Andrés Jal, 2014-09 La puerta de los Asesinos George Packer, 2016-04-14

Con su magistral escritura el ganador del National Book Award George Packer construye un relato extraordinario del conflicto internacional más importante y con más consecuencias de las últimas décadas. La crónica más completa, ambiciosa y poderosa de la guerra de Iraq. Keith Gessen New York Magazine. Se dice que el periodismo es el primer borrador de la historia: en este libro George Packer va más allá y logra un retrato extraordinario de los orígenes y los primeros años de la guerra de Iraq. La puerta de los asesinos cuenta cómo Estados Unidos se propuso cambiar la historia de Oriente Medio y acabó atrapado en una desastrosa guerra de guerrillas en Iraq y nos presenta a las personas y las ideas que crearon la política exterior de la administración Bush y desembocaron en la Puerta de los asesinos, la principal puerta de entrada a la zona estadounidense en Bagdad. Packer también describe el lugar que la guerra ocupó en el frente doméstico: las batallas ideológicas en Washington, el dolor de la familia de un soldado muerto en combate y la cultura política de un país demasiado dividido para llevar a buen puerto un proyecto tan ambicioso y moralmente complejo. Libro del año para The New York Times, The Washington Post, Book World, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, Book Review, The Los Angeles Times, Book Review, The New York Times Book Review, USA Today, Time y New York magazine. Reseñas. La complejidad de la cuestión iraquí requiere a que lo tratara alguien con tanta seriedad como sensibilidad. George Packer lo ha conseguido. Christopher Hitchens. Como reflexión acerca de los límites del poder estadounidense es iluminador. Como una breve historia de las relaciones entre Iraq y Estados Unidos es indispensable. Como un estudio del choque entre la arrogancia y la buena voluntad es inmejorable. Un libro que todos deberíamos leer. Tom Bissell The New York Observer. El mejor libro del año. Stephen Elliott LA Weekly. Magistral. El retrato de los debates que precedieron a la guerra es sutil, agudo y emocionante. Sus crónicas desde Iraq eran muy buenas pero este libro es mejor colocando al lector al lado del ángel de la historia de Walter Benjamin para ver indefenso el desastre que ocurre ante sus ojos. Gideon Rose Washington Post. Book World. Packer describe vividamente en primera persona tras primera la accidentada ocupación de Iraq, mal planeada y ejecutada de modo casi criminal. Su libro muestra la asombrosa distancia entre las ideas abstractas y la realidad. Fareed Zakaria The New York Times Book Review.

Vos estis Sol José de Viera y Clavijo, 2008. El conjunto de textos epistolares que componen este libro está constituido por las 32 cartas que Viera y Clavijo envió a Fernando de la Guerra, marqués de San Andrés, desde el 26 de noviembre de 1770 hasta el 10 de febrero de 1792. En este epistolario encontramos al Viera más mordaz y crítico con una mentalidad totalmente distinta a la que se aprecia en sus escritos oficiales. La epistolografía de Viera y especialmente la que es objeto de esta edición constituye una vinculación singular entre pensamiento y dicción que se aleja del habitual sometimiento de esta al momento histórico en que él vive. **Tiempo de hoy**, 2008. Gaceta de Madrid, 1812. **Informe de la Comisión Pesquisidora de la Frontera del Norte al ejecutivo de la unión sobre depredaciones de los indios y otros males que sufre la frontera**
