Expensive Yanna An Adoption Story:

Expensive Yanna Allen Amason, 2015-11-15 It was December 2006 when Yanna left St Petersburg Russia to spend a month with our family in the United States It would be a great experience for us all but it would be over in just 32 days For all we knew the journey would end after that Yanna would return to her orphanage and all our lives would return to normal But God had a different plan *Expensive Yanna* tells the story at least the story as I remember it of how we fell in love with and ultimately adopted our fourth child It was a long process nearly 16 months in total but it was a labor of love More than anything though it was a process of transformation *Expensive Yanna* illustrates the power of God to change hearts to change lives and to change families

Strategic Management Allen Amason, Andrew Ward, 2020-08-10 A focus on creating and sustaining a flow of profitable transactions in other words the creation of sustainable competitive advantage is the seemingly simple yet complex goal of strategic leaders and managers Allen Amason and Andrew Ward approach the topic of strategic management with this focus in mind Rather than simply teaching theory and research Amason and Ward seek to convey the fundamental keys to how strategy works This book is designed to help students think critically and understand fully how to strategically manage their future firms In so doing it will enable them to adapt and learn even as their circumstances change to apply sound logic and reasoning even in new and unfamiliar settings By conveying enduring and fundamental principles of economic and human behavior rather than simply reporting on the latest innovations this book succeeds in preparing students to excel in the business environment over time regardless of how it evolves
