Robert Heidler, 2011-08 The Christian life is not a set of rituals or teachings but a relationship with God through His Holy Spirit. No matter how much you know about the Bible, no matter how strong your self-discipline is, no matter how hard you try to serve and please God, if your relationship with the Holy Spirit is weak, the Christian life will not work for you. In this book, Robert Heidler shows how God wants to unleash His power in your life to bring you into dynamic life-giving relationship with the Spirit of God. We were given the Holy Spirit to make the Christian life experiential, to make Jesus real in our lives. So stop struggling to survive from week to week and start living every minute in the power He has given you. Length 240 Pages

*Experiencing the Power of the Holy Spirit* Lloyd John Ogilvie, 2013 Bestselling author and pastor Lloyd John Ogilvie has spent years observing and experiencing himself the deep needs of Christians and why those needs for love, comfort, guidance, or discernment often go unmet. In *Experiencing the Power of the Holy Spirit*, he draws on Scripture to illuminate the living and active work of the Spirit. Because many believers have a limited view of their great Advocate, Counselor, Helper, and Companion, they don't realize that in day-to-day life they can depend on Him to encourage, guide, and correct them and prompt them to speak or act appropriately. Help them identify deep motives and penetrate to the root of personal struggles. Help them discern in prayer what is best in a situation. When believers build their lives upon reliance on the Spirit, they can live confidently in life's stressful situations and relationships, knowing they have a Friend who is always there to help. **The**

**Alive in the Spirit** A.W. Tozer, 2016-11-01. Dynamic. Never before published work on the Holy Spirit from A.W. Tozer. What does it mean to have the Holy Spirit in our lives? Many look to extraordinary experiences and manifestations as evidence of the Spirit. But what happens when the event is over? How can we experience the Holy Spirit in the ordinary, everyday world? How can we be filled with the Spirit? In this material taken from Tozer's sermons, he answers these questions and explores life in the Spirit from a balanced perspective. The church needs the gifts of the Spirit; all of them, or it will never be what God intends it to be. But this has to happen in wisdom and humility. Many people talk about being filled with the Holy Spirit, but very few accept the conditions for being filled. Tozer lays down requirements for the Holy Spirit to come into our lives and transform us into Spirit-filled people. Though every Christian has the Holy Spirit, not every Christian is filled with the Holy Spirit. He explains the difference and how it could change the evangelical church of today.

**Experiencing the Power of the Holy Spirit** David C. Cooper, 2007-12. Simply Spirit-Filled Dr. Andrew K. Gabriel, 2019-02-12. What stands between you and living an authentic Spirit-filled life? Do you want to experience the Holy Spirit more but are afraid of what that truly means? In Simply Spirit-Filled, internationally acclaimed theologian Andrew Gabriel says if you want to experience all the Holy Spirit has to offer, you must become more aware of the ways the Spirit is already quietly at work in and around you. By blending theology, practical steps, and a touch of humor, this book brings clarity to praying in tongues, spiritual gifts, dreams, and visions, and miracles. Simply Spirit-Filled is a biblically rooted and well-informed introduction to some of the basics of the charismatic tradition.

*The Blessing* Thomas E. Trask, Wayne I. Goodall, 1998.
