God Distorted John Bishop, 2013-05-21 God is not a bigger version of your earthly father. When you hear the word father, do you think of someone who is loving or angry? Someone who is pleased with you or constantly disappointed? Someone who is always available or someone who is too busy preoccupied or distant? When you think of Father God, what images come to mind? Regardless of the type of father you grew up with or without, it is likely that your view of God is influenced by the relationship you had with your father. Author John Bishop wants to help you discover that God is not just like your dad. Instead, God is the Father revealed in Scripture where the truth is clear: God is a father who is always there, up close and personal, fully pleased, in complete control, completely safe. Filled with biblical insight and practical tools for reflection, healing, and restoration, *God Distorted* will enable you to break free from the lies of the enemy and see your heavenly Father as He truly is.

Scripture scholar and popular author George Montague touches on these questions and more in twenty beautifully written reflections that provide rich insights into the love at the heart of the Trinity. Montague uses everyday examples to help us to envision what that awesome relationship is like between Father and Son and how they long through the Holy Spirit to bring each one of us into their communion of love. This is a book you will want to read again and again.
