Execution of the Penalty Brent C. Flynn,Linda D. Flynn,2009-03-01 A true modern day epic the story traces a family trek into then out of a religion bent on mind control Along the way it exposes the lies harmful techniques and dangerous consequences of involvement with a cult Brent and Linda Flynn served as high ranking leaders in their local church In an attempt to grow closer to their religious hero icons they accidentally discovered a history of scams lies and abuse To free themselves from pernicious religious tentacles threats of excommunication and shunning they felt compelled to move to another state for a fresh start in life This story chronicles the life altering events upon their entire family including their impressionable children and extended family It serves as a beacon of hope for those captured under the mental grip of religious mind control It also serves as a warning to those who may be flirting with smiling faces with hidden agendas
