Exiles and Strangers English Showalter, 1984 Camus's short career was difficult and his reputation remained controversial Though the public warmed to his books most of which became bestsellers in both France and the United States critics and journalists began to take Camus seriously only after his popularity made it impossible to ignore him And it is surprising that with the flood of books and articles that followed this belated recognition of the man who according to the citation of the Nobel judges illuminated the problems of the human conscience in our times critics have paid so little attention to the last book to appear in Camus's lifetime the collection of short stories entitled *Exile and the Kingdom* L'Exil et le royaume **Exiles and Strangers** English Showalter, *Exile and the Kingdom* Romila Thapar, 1978 Critical appreciation of the Ramayana a Hindu epic by V.
