*Exile in Erin* William Barnaby Faherty, 2002 Father Bannon was truly an inspirational personality BOOK JACKET A Companion to American Military History James C. Bradford, 2009-11-03 With more than 60 essays A Companion to American Military History presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present. Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq. Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music, military ethics, care of the dead, and sports. Surveys and evaluates the best scholarship on every important era and topic. Summarizes current debates and identifies areas where conflicting interpretations are in need of further study. *American Catholics and the Quest for Equality in the Civil War Era* Robert Emmett Curran, 2023-03-01 Robert Emmett Curran's masterful treatment of American Catholicism in the Civil War era is the first comprehensive history of Roman Catholics in the North and South before, during, and after the war. Curran provides an in-depth look at how the momentous developments of these decades affected the entire Catholic community, including Black and indigenous Americans. He also explores the ways that Catholics contributed to the reshaping of a nation that was testing the fundamental proposition of equality set down by its founders. Ultimately, Curran concludes the revolution that the war touched off remained unfinished; indeed, it was turned backward in no small part by Catholics who marred their pursuit of equality with a truncated vision of who deserved to share in its realization.

## **Two Civil Wars**

Katherine Bentley Jeffrey, 2016-04-11 *Two Civil Wars* is both an edition of an unusual Civil War era double journal and a narrative about the two writers who composed its contents. The initial journal entries were written by thirteen-year-old Celeste Repp while a student at St. Mary's Academy, a prominent but short-lived girls school in midcentury Baton Rouge. Celeste's French compositions, dating from 1859 to 1861, offer brief but poignant meditations, describe seasonal celebrations, and mention by name both her headmistress Matilda Victor and French instructor and priest Father Darius Hubert. Immediately following Celeste's prettily decorated pages, a new title page intervenes, introducing *An Abstract Journal Kept by William L. Park of the U.S. Gunboat Essex during the American Rebellion*. Park's diary is a fulsome three-year account of military engagements along the Mississippi and its tributaries, the bombardment of southern towns, the looting of plantations, skirmishes with Confederate guerrillas, the uneasy experiment with contrabands, freed slaves serving aboard ship, and the mundane circumstances of shipboard life. Very few diaries from the inland navy have survived, and this is the first journal from the ironclad *Essex* to be published. Jeffrey has read it alongside several unpublished accounts by Park's crewmates as well as a later memoir composed by Park in his declining years. It provides rare insight into the culture of the ironclad fleet and equally rare firsthand commentary by an ordinary sailor on events such as the sinking of *CSS Arkansas* and the

prolonged siege of Port Hudson Jeffrey provides detailed annotation and context for the Repp and Park journals filling out the biographies of both writers before and after the Civil War In Celeste s case Jeffrey uncovers surprising connections to such prominent Baton Rouge residents as the diarist Sarah Morgan and explores the complexity of wartime allegiances in the South through the experiences of Matilda Victor and Darius Hubert She also unravels the mystery of how a southern youngster s school scribbler found its way into the hands of a Union sailor In so doing she provides a richly detailed picture of occupied Baton Rouge and especially of events surrounding the Battle of Baton Rouge in August 1862 These two unusual personal journals linked by curious happenstance in a single notebook open up intriguing provocative and surprisingly complementary new vistas on antebellum Baton Rouge and the Civil War on the Mississippi Men of God, Men of War Robert C. Doyle,2024-03-15 Men of God Men of War tells the stories of chaplains who have served in America s wars In his exploration of military chaplaincy author Robert Doyle poses questions about their brand of service to the United States He examines the complexities of the chaplains vocation the types of services they performed the roles they assumed in combat and as prisoners of war and how they interacted with the military personnel they served and supported Doyle explores the high price many paid for their commitment to their unique type of service Doyle illuminates the histories of chaplains who did their duty selflessly to God to their country to the soldiers sailors Marines and airmen with whom they found themselves in very dire circumstances over the past three hundred years Chaplains throughout American history have served bravely and selflessly at home and in the field both under fire and behind the wire Chaplains served as sources of motivation inspiration and peace for military personnel in times of hardship especially in captivity Doyle illustrates that while they are now treated as non combatants chaplains vital role as leaders cannot be underestimated or understated Men of God Men of War examines how chaplains performed under fire in hostile environments beginning with the Revolutionary War through the war on terror in Iraq and Afghanistan The chaplains of the Revolution were patriots first soldiers second and men of God third From the Civil War to modern times these men gave hope to the hopeless absolution to those soldiers who stood before their Maker before battles and faith in themselves and their comrades so necessary for men in combat Doyle s research shows that military chaplains have always remained necessary to men at war even in a modern secular military **Faith and Fury** Fr. Charles Connor,2019-06-19 Through searing anecdotes and learned analysis Fr Connor shows how the Civil War forged a new American Catholic identity as Catholics often new immigrants found themselves on both sides of the conflict **Poet of the Lost Cause** Donald Robert Beagle,Bryan Albin Giemza,2008 The result of meticulous scholarship and decades of careful collecting to create a body of reliable information this definitive full length biography of the enigmatic Confederate poet presents a close examination of the man behind the myth and separates Lost Cause legend from fact Jacket *The Journal of Mississippi History* ,2003 Includes section Book reviews The United Daughters of the Confederacy Magazine ,2004 *America, History and Life* ,2004 Article abstracts and citations of reviews and dissertations covering the United States
