Exodus Paul Antony Jones,2013 Emily Baxter feared she was the sole survivor of a deadly alien plague that swept through New York City the nation and the world in a downpour of bloodred rain And when the dead began transforming into a terrifying new form of life she feared her survival might be brutally short lived Then a human voice crackled from a satellite phone urging her to flee north where more refugees of the global annihilation hunkered down in a desolate Alaskan outpost Now with only the supplies she can carry and her faithful dog Emily races across the country desperate to outrun the horrors close behind Back cover

Futuristic Cars and Space Bicycles Jeremy Withers,2020 Examining representations of cars and bicycles in American science fiction from the late nineteenth century to the present day Futuristic Cars and Space Bicycles argues that science fiction by and large perceives the car as anything but a marvelous invention of modernity Rather the genre often scorns and ridicules the automobile and instead promotes more sustainable more benign more restrained technologies of movement such as the bicycle

The Birth of Jesus the Messiah Edward C. Visser,2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesnt seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively The Birth of Jesus the Messiah combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Dont Be Afraid Engage with The Birth of Jesus the Messiah as a fresh starting point and annual resource for planning your Advent and Christmas preaching
