Pregnancy Stories Cecelia A. Cancellaro, 2001 Cecelia Cancellaro has collected the most fascinating accounts of women's pregnancies. What these many stories show is that it is really impossible to predict not only the events leading up to the birth but the stories themselves. Elisabeth Bing, author of *Six Practical Lessons for an Easier Childbirth*, compiled for women who are or want to be pregnant, as well as their families and friends, these true tales provide answers to the questions all pregnant women ask themselves. Lively and absorbing, each story demystifies the nine months ahead. Shelves of pregnancy books tell what pregnancy should be like, but this book tells it like it is.
