Experimental Film And Anthropology Paperback:

Experimental Film and Anthropology Arnd Schneider, Caterina Pasqualino, 2020-05-12 Experimental Film and Anthropology urges a new dialogue between two seemingly separate fields The book explores the practical and theoretical challenges arising from experimental film for anthropology and vice versa through a number of contact zones trance emotions and the senses materiality and time non narrative content and montage Experimental film and cinema are understood in this book as broad inclusive categories covering many technical formats and historical traditions to investigate the potential for new common practices An international range of renowned anthropologists film scholars and experimental film makers engage in vibrant discussion and offer important new insights for all students and scholars involved in producing their own films This is indispensable reading for students and scholars in a range of disciplines including anthropology visual anthropology visual culture and film and media studies Lost Highways, Embodied Travels: The Road Movie in American

Experimental Film and Video Kornelia Boczkowska, 2023-02-06 Often identified as one of the most genuine and enduring American film genres the road movie has never been explored in the context of experimental filmmaking To fill this gap Lost Highways Embodied Travels provides the first book length study of over eighty unique and often obscure films and videos and situates them within the corporeal turn in American avant garde cinema so far mostly associated with body genres and sexually explicit films Drawing on unpublished archival materials the book offers a fresh take on both past and current practices of the experimental film community for scholars students makers and film buffs **Experimental Ethnography**
