*Excluded Ancestors, Inventible Traditions* Richard Handler, 2000-11-16 History making can be used both to bolster and to contest the legitimacy of established institutions and canons *Excluded Ancestors Inventible Traditions* seeks to widen the anthropological past and in doing so to invigorate contemporary anthropological practice In the past decade anthropologists have become increasingly aware of the ways in which participation in professional anthropology has depended and continues to depend on categorical boundaries of race class gender citizenship institutional and disciplinary affiliation and English language proficiency Historians of anthropology play a crucial role interrogating such boundaries as they do they make newly available the work of anthropologists who have been ignored *Excluded Ancestors Inventible Traditions* focuses on little known scholars who contributed to the anthropological work of their time such as John William Jackson the members of the Hampton Folk Lore Society Charlotte Gower Chapman and Lucie Varga In addition essays on Marius Barbeau and Sol Tax present figures who were centrally located in the anthropologies of their day A final essay analyzes notions of the canon and considers the place of a classic ethnographic area highland New Guinea in anthropological canon formation

**Mildred Trotter and the Invisible Histories of Physical and Forensic Anthropology** Emily Wilson, 2022-04-11 In the wake of World War II anatomist and anthropologist Mildred Trotter left the Midwest for a temporary post as the forensic anthropology expert for the Army in the Territory of Hawaii Her formidable task was to identify the remains of war dead in order to return them to their families in a national effort that continues to this day *Mildred Trotter and the Invisible Histories of Physical and Forensic Anthropology* is the first long overdue biography on this woman of immense stature in her field She was the first woman to serve as President of the American Association of Physical Anthropologists and the first woman to be full professor at the Washington University School of Medicine in St Louis While primarily a biography of Trotter this book also examines aspects that are so often left out of retrospectives of science and scientific figures This includes scientific error the historical experiences of the few women and individuals from other marginalized groups active in the discipline sexism and scientific and social racism This book also provides novel historical context regarding her major and now well known tibia mismeasurement *Mildred Trotter and the Invisible Histories of Physical and Forensic Anthropology* is a must read for anyone interested in the history of science and women in science and for all practicing and aspiring biological and forensic anthropologists

**Excluded Ancestors, Inventible Traditions** Richard Handler, 2000-11-15 History making can be used both to bolster and to contest the legitimacy of established institutions and canons *Excluded Ancestors Inventible Traditions* seeks to widen the anthropological past and in doing so to invigorate contemporary anthropological practice In the past decade anthropologists have become increasingly aware of the ways in which participation in professional anthropology has depended and continues to depend on categorical boundaries of race class gender citizenship institutional and disciplinary affiliation and English language proficiency Historians of anthropology play a crucial role interrogating such boundaries as

they do they make newly available the work of anthropologists who have been ignored Excluded Ancestors Inventible Traditions focuses on little known scholars who contributed to the anthropological work of their time such as John William Jackson the members of the Hampton Folk Lore Society Charlotte Gower Chapman and Lucie Varga In addition essays on Marius Barbeau and Sol Tax present figures who were centrally located in the anthropologies of their day A final essay analyzes notions of the canon and considers the place of a classic ethnographic area highland New Guinea in anthropological canon formation

The Quest for Jewish Assimilation in Modern Social Science Amos Morris-Reich, 2008-01-15 This book examines the connection between the nineteenth century transformation of the human sciences into the social sciences and notions of Jewish assimilation and integration demonstrating that the quest for Jewish assimilation is linked to and built into the conceptual foundations of modern social science disciplines

**Writing, Travel and Empire** Peter Hulme, Russell McDougall, 2007-08-29 The British Empire drew on the talents of many remarkable figures whose lives reveal a wonderfully rich involvement with the crucial issues of the period In many cases they left a legacy of travel writing novels biography and ethnography which made important contributions to our knowledge of other cultures Writing Travel and Empire explores the lives and writings of eight such figures including Sir George Grey Gertrude Bell Sir Hugh Clifford and Roger Casement All travelled the Empire from Grey the renowned colonial governor who undertook dangerous journeys to the interior of Australia to Tom Harrisson the emaciated polymath war hero and Arctic explorer whose time in the New Hebrides embraced both cannibalistic rituals and a meeting with film legend Douglas Fairbanks Sr who sought Harrisson out for a Hollywood feature about savage life All saw themselves as writers despite their very different approaches and interests and each was writing against a backdrop of the impending disappearance of indigenous cultures around the world Writing from the margins of what was shortly to become the more formalised discipline of anthropology their work yields interesting insights into both the issues of empire and the ways in which academic disciplines define the boundaries of their subject Embracing themes such as gender and travel racial science the globalisation of native management and the internal colonies and with a geographical coverage that extends from South America to Russia via Africa and the South Seas Writing Travel and Empire will engage all those with an interest in cultural geography anthropology history postcolonial studies biography and travel writing

**European Anthropologies** Andrés Barrera-González, Monica Heintz, Anna Horolets, 2017-08-01 In what ways did Europeans interact with the diversity of people they encountered on other continents in the context of colonial expansion and with the peasant or ethnic Other at home How did anthropologists and ethnologists make sense of the mosaic of people and societies during the nineteenth and twentieth centuries when their disciplines were progressively being established in academia By assessing the diversity of European intellectual histories within sociocultural anthropology this volume aims to sketch its intellectual and institutional portrait It will be a useful reading for the students of anthropology ethnology history and philosophy of science research and science policy makers

*Glimpses into My Own Black Box* George W. Stocking,

Jr.,2010-11-18 George W Stocking Jr has spent a professional lifetime exploring the history of anthropology and his findings have shaped anthropologists understanding of their field for two generations Through his meticulous research Stocking has shown how such forces as politics race institutional affiliations and personal relationships have influenced the discipline from its beginnings In this autobiography he turns his attention to a subject closer to home but no less challenging Looking into his own black box he dissects his upbringing his politics even his motivations in writing about himself The result is a book systematically at times brutally self questioning An interesting question Stocking says is one that arouses just the right amount of anxiety But that very anxiety may be the ultimate source of Stocking s remarkable intellectual energy and output In the first two sections of the book he traces the intersecting vectors of his professional and personal lives The book concludes with a coda Octogenarian Afterthoughts that offers glimpses of his life after retirement when advancing age cancer and depression changed the tenor of his reflections about both his life and his work This book is the twelfth and final volume of the influential History of Anthropology series

**Modernism and the Social Sciences** Mark Bevir,2017-09-28 This wide ranging and original study reveals how prevalent modernism has become in the social sciences With contributions from a number of leading international scholars Modernism and the Social Sciences explores the rise and nature of modernist tropes and approaches within social sciences such as economics econometrics behaviourism sociology administrative science linguistics history and anthropology The essays demonstrate how the social sciences turned away from the developmental historicisms of the nineteenth century Instead social scientists have become increasingly committed to synchronic and formal explanations that rely on models correlations and ideal types and they have increasingly appealed to systems and functions and to institutions and norms This book will reveal wider trends and parallels to specialists in particular disciplines and it will also appeal to those interested in intellectual history and social science theory This volume is a companion to *Historicism and the Human Sciences in Britain* a product of the Mellon project on Britain s Modernity published by Cambridge in 2017 *Histories of Anthropology Annual* ,2005 *Journal of Anthropological Research* ,2014

**The Study of Africa: Disciplinary and Interdisciplinary encounters** Paul Tiyambe Zeleza,2006 This is the first of a two volume work which takes stock of the study of Africa in the twenty first century its status research agenda and approaches and place It is divided into two parts the first on the academic disciplines and African Studies the second on interdisciplinary studies **History, Memory and Mass Atrocity** Dan Stone,2006 The book s main theme is the interpretation of the Holocaust and genocide in historiography philosophy and the contemporary culture of commemoration Running through the essays is an attempt to understand the Holocaust s relationship to modernity the need to find ways of understanding genocide through apparently non rational forms of explanation especially derived from anthropology and the desirability of relating the Holocaust to other instances of genocide The book investigates the ways in which individual thinkers Malinowski Arendt Bataille Perec Ricoeur can help us conceptualise the Holocaust and also deals with many of the

major themes of Holocaust and Genocide Studies in recent years problems of handling testimony problems of erecting monuments and museums the representability of the Holocaust through texts photographs monuments and museums the possibility of understanding why individuals take part in genocide and the relationship of the Holocaust to colonial genocide Contains previously inaccessible essays The book is arranged into four sections interpretations of the origins and nature of the Holocaust studies of individual thinkers responses to the Holocaust questions of representation and commemoration and understanding genocide *The Ethnography of a South Indian God* Gillian Marie Goslinga, 2006 **Significant Others** Richard Handler, 2004-03-25 During the First World War it was the task of the U S Department of Justice using the newly passed Espionage Act and its later Sedition Act amendment to prosecute and convict those who opposed America's entry into the conflict In Unsafe for Democracy historian William H Thomas Jr shows that the Justice Department did not stop at this official charge but went much further paying cautionary visits to suspected dissenters pressuring them to express support of the war effort or intimidating them into silence At times going undercover investigators tried to elicit the unguarded comments of individuals believed to be a threat to the prevailing social order In this massive yet largely secret campaign agents cast their net wide targeting isolationists pacifists immigrants socialists labor organizers African Americans and clergymen The unemployed the mentally ill college students schoolteachers even schoolchildren all might come under scrutiny often in the context of the most trivial and benign activities of daily life Delving into numerous reports by Justice Department detectives Thomas documents how in case after case they used threats and warnings to frighten war critics and silence dissent This early government crusade for wartime ideological conformity Thomas argues marks one of the more dubious achievements of the Progressive Era and a development that resonates in the present day Best Books for Special Interests selected by the American Association of School Librarians Recommended for all libraries Frederic Krome Library Journal Lev Shternberg Sergei Kan, 2009-06 This biography explores the scholarly and political aspects of the life of Lev Shternberg 1861-1927 It illuminates the development of professional anthropology in late imperial and early Soviet Russia Shortly after the formation of the Soviet Union the government initiated a detailed ethnographic survey of the country's peoples Shternberg who as a political exile during the late tsarist period had conducted ethnographic research in northeastern Siberia was one of the anthropologists who directed this survey and consequently played a major role in influencing the professionalization of anthropology in the Soviet Union Under the new regime he also continued his work as the senior curator of the St Petersburg Museum of Anthropology and Ethnography which began in the early 1900s In the last decade of his life he helped establish a new Soviet school of cultural anthropology True to the ideals of his youth he also continued an active involvement in the intellectual life of the Jewish community even though the new regime was making it increasingly difficult **Anthropology News**, 2000 **American Indian Quarterly**, 2007 *Central Sites, Peripheral Visions* Richard Handler, 2006-10-04 Publisher description Magic and Modernity Birgit Meyer, Peter Pels, 2003 This is the

first book to explore comparatively how magic usually portrayed as the antithesis of the modern is also at home in modernity
