Exodus A Mentor Commentary:

Exodus John L. Mackay, 2001 Part of the Mentor Commentary series Landmark study of Exodus Must have for all pastors and bible teachers The Trinity and the Bible J. Alexander Rutherford, 2022-10-14 To write on the Trinity is to enter a minefield of presuppositions presuppositions of theology exegesis grammar logic philosophy etc However at the heart of God s self revelation in the Bible is God s tri unity that God is three Father Son and Holy Spirit Confessional Christians would identify this claim that God is Triune as a necessary condition of true Christian faith To be Christian is to follow Christ who is the 2nd person of the Trinity Yet does following this Christ mean following the 2nd hypostasis who is eternally begotten of the Father sharing with him his ousia That is a more difficult question isn t it Indeed many faithful men and women in my life could not make heads or tails of the latter claim while worshipping and following the Christ of the former So what does it mean to be Trinitarian This book is about that question what does it mean to be a Christian who worships a triune God to be Trinitarian Is the Trinity a doctrine arrived at through second order reflection on the Biblical data several hundred years after the canon closed or is it something else Is it perhaps a presupposition about the reality of God that has shaped the Christian imagination that has shaped the framework Christians bring to the world throughout created history *A Guide to Biblical Commentaries and Reference Works, 11th Edition* John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike *A Guide to Biblical Commentaries and Reference Works* John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years Remembering the Covenants in Song Young-Sam Won, 2019-08-20 In biblical and theological studies fresh perspectives and novel approaches can breathe new life into familiar subjects Remembering the Covenants in Song reconsiders the Abrahamic and Mosaic covenant relationship through the unique biblical and canonical lens of a postexilic song In Psalm 105 the psalmist s intriguing intertextual engagement with both of Israel s great covenant traditions provides a rare glimpse into the covenant understanding of a postexilic biblical writer interacting with the Torah Remembering the

Covenants in Song entails an intertextual study of Psalm 105 that brings the psalmist's rhetorical design and covenant references into a dialogue with the Torah's seminal covenant texts. The examination of the psalmist's use of covenant references and allusions represents an innovative approach to assessing the rhetorical significance of intertextuality in biblical writings. *The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson)* Matthew Barrett, 2019-03-14. Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone. In fact, Martin Luther argued that justification is the doctrine on which the church stands or falls. This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history, the Bible, theology, and pastoral practice, revealing the enduring significance of this pillar of Protestant theology. *Fallen* Christopher W. Morgan, Robert A. Peterson, 2013-09-30. From marital infidelity to global war, the world is obviously broken, leaving people desperate to find an explanation for our universal sin problem. Among other contributors, popular scholar D. A. Carson discusses the contemporary significance of sin, seasoned professor Paul House details sin in the Old Testament, law prophets, and writings, and New Testament expert Douglas Moo explores sin from Paul's vantage point.
