Gleanings in Exodus Arthur W. Pink,2002-09 Historically the book of Exodus treats of the deliverance of Israel from Egypt but viewed doctrinally it deals with redemption Just as the first book of the Bible teaches that God elects unto salvation so the second instructs us how God saves namely by redemption Redemption then is the dominant subject of Exodus Following this we are shown what we are redeemed for worship and this characterizes Leviticus where we learn of the holy requirements of God and the gracious provisions He has made to meet these In Numbers we have the walk and warfare of the wilderness where we have a typical representation of our experiences as we pass through this scene of sin and trial our repeated and excuseless failures and God s long sufferance and faithfulness

The People's Bible: Exodus Joseph Parker,1887 *Divine Beauty Divine Glory* Alison M. Downs,2020-09 The Beauty and the Glory of the Divine by Alison M Down is an astute look at the Exodus story that focuses on one Figure that too often remains hidden behind a monumental figure of Moses and manifold events of the book on God the Leader of the Exodus As we live in an efficiency driven society we tend to look at actions and results as the

highest priority While the book of Exodus is indeed packed with actions and as it results in a radical change in history many Christians tend to overlook the main purpose of the book of Exodus The main purpose of this and of every other book of the Holy Scripture and of the Word Incarnate is to reveal God the Father Alison in her dynamic study has grabbed the very nerve of the Exodus narrative the revelation of the Divine Holiness and other attributes and characteristics of God to sinful humankind As this emphasis is lost and unfortunately it has been lost in too many publications the main purpose of the book of Exodus remains only as a potential On the other hand Alison helps a reader to refocus from a traditional study of peoples and events of Exodus to the God of Exodus The study is carefully organized after the events of the Exodus yet with each chapter with each page we come closer not just to the Promised Land but we come to better understand God the true Leader of the Exodus As a systematic theologian I see that this book is needed for two main reasons First it provides a unique focus of God Second The Beauty and the Glory of the Divine by Alison M Down helps Christians to bridge what seems to be a gap between the God of the Old Testament and His Son Jesus Christ This study is fun to read as a reader would certainly share in Alison's excitement over many personal discoveries The book is also valuable as it provides numerous parallel stories and texts from other books of the Bible That solidifies this research and makes reading more diverse and interesting I would certainly recommend this material to any diligent student of the book of Exodus Dr Oleg Zhigankov PhD Systematic and Historical Biblical Studies Pastor North Bay and South River Churches Ontario Conference of Seventh Day Adventists *The Preacher's Commentary - Vol. 02: Exodus* Maxie D. Dunnam, 2004-07-13 Written BY Preachers and Teachers FOR Preachers and Teachers Combining fresh insights with readable exposition and relatable examples The Preacher's Commentary will help you minister to others and see their lives transformed through the power of God's Word Whether preacher teacher or Bible study leader if you're a communicator The Preacher's Commentary will help you share God's Word more effectively with others This volume on Exodus brings forth the contemporary relevance of Exodus and its implications for individual and church life today Each volume is written by one of today's top scholars and includes Innovative ideas for preaching and teaching God's Word Vibrant paragraph by paragraph exposition Impelling real life illustrations Insightful and relevant contemporary application An introduction which reveals the author's approach A full outline of the biblical book being covered Scripture passages using the New King James Version and explanations The Preacher's Commentary offers pastors teachers and Bible study leaders clear and compelling insights into the Bible that will equip them to understand apply and teach the truth in God's Word **The Exodus Story in Rhyme for God's Glory!** Irma Sampson, 2012-11 The book of Exodus from both the Bible and the Torah is such a captivating tale that a lot of works from literature arts and motion picture and television have been based on it This story chronicles the life of Moses and God's redemption of Israel from their Egyptian oppressors where God's powerful works were manifested through fear inspiring miracles and where the first set of written law for believers of Jewish and Christian faith the Ten Commandments among others was established Fueled by faith

and an undying fascination from this story Irma Sampson brings in her insightful knowledge of the Bible and her creative flair in poetry to write THE EXODUS STORY in Rhyme for God s Glory Every chapter of Exodus is carefully detailed in rhyme and measure without being tedious that people who are overwhelmed by the actual account of the Bible will find it easier to read and understand And while it deals primarily on the story of Exodus she illustrates the relation of some religious ceremonies to the forthcoming role that Jesus will play in the salvation of man A joy to read for the old and the young the book encourages the rekindling and the strengthening of a person s faith in God and His Word
