You wake up and your mind is already racing. Your schedule is packed with all that the day holds. In the jumble of carpools, projects, dinner, work, and time with your family, God is often pushed to the side or out of the picture completely. Matthew Henry was a man who awoke to thoughts of God, went to bed with God on his mind, and filled every hour in between with the same godly focus. Despite hardships, his life was fulfilled and joyful. Learn from him the importance of godly conversation, true devotions, and effective communication, and find a life that is completely pleasing to God. **The Presence Participant's Guide** Alec Rowlands, 2014. **Revival: God's Way: Experiencing God's Presence at the Deepest Level** Vishnu M. Harbhajan, 2019-02-23 According to an ABC Poll 83% of Americans identify themselves as Christians Of this 53 % are Protestants 22% percent Catholic 37%t of all Christians describe themselves as born again or evangelical which includes nearly half of all Protestants 47 percent However we all need to ask how viable is our faith Do we just carry on traditions because of our upbringing or is our faith in Christ intensely personal and inspirational Boredom should never be a feature of our lives if we have experienced a born again encounter with God The Body of Christ the church should be the living example of Christ on earth in holiness love and compassion If these traits are not evident then we do need a fresh touch from God both personally and collectively This is the thrust of this book To challenge and inspire the reader to examine his or her life and commit to all that Jesus demands so that He would restore and rekindle His love and grace within us God wants to work through us and His church but we all have to bring our lives under His agenda and expectations When this happens the Holy Spirit will explode within us the Life of Christ and our spiritual awakening will have begun Read pray fully and apply His Word as you work though the chapters Revival Gods way is just around the corner If our Christianity is dull and boring then we need to know that there is more much more Jesus came to give our lives meaning and purpose every day of our brief existence and not just for us to identify with a denomination or church The life of Jesus Christ is meant to be invasive and pervasive affecting every facet of the believers existence We were destined to live a joyful passionate Spirit filled life a quality of living that worldly wealth sensual pleasure or personal ambitions falls by the wayside in comparison to the abundant life in Christ Formality passionate less praying and preaching are often the norm Congregants sometimes attend out of duty and not because of a consuming desire to know the God of the Bible For non church people or the spiritually insensitive to turn to the church we first have to demonstrate a passion love and intensity that flows out of our daily communion with Christ which will subsequently outshine every aspiration of the non believer so they see and feel that we have much more than they do For this to happen the church and individual christian must experience a spiritual renewal Allow God to do a new work in you and in your church be available to Him and say in your heart I WANT MORE There is no second baptism but a complete turning to Christ giving Him all our sins and personal ambitions and making Him absolute Lord When that happens there will be a personal spiritual break through and the Lord of glory will no longer be on the outside knocking pleading and begging to come in This will transform our tastes and goals and affect the spiritually unconnected around us The politicians and celebrities do not have the ultimate answers as they themselves need a Savior but even if everyone can attain the American Dream there will still be a deep and empty feeling of not having personal peace and hope Only Jesus Christ can meet the deepest need of the human race The book is my take on where we are and how we can
