

EXPERT CARD TECHNIQUE: CLOSE-UP TABLE MAGIC 318 ILLUSTRATIONS JEAN HUGARD AND FREDERICK BRAUE

If you have ever tried to do a card trick and failed, you know what it is to be embarrassed. You may try to cover up by doing a more difficult trick and fail again. The very aim of this dilemma, however, is not humiliation, but it is actually a mere economy of technique. This means the proper instruction book, and practice.

In this definitive work on card technique, step-by-step instructions teach you the correct methods for the basic manipulations and the more advanced flourishes, and only then allow you to learn tricks. Offering the most foolproof methods available, Jean Hugard and Frederick Braue explain such basic manipulations as the palm, the shuffle, the lift, the side slip, the pass, the glimpse, the peg, and the reverse. They detail various take deals, setups, and changes and the more advanced execution needed for turns, fans, and the use of the prearranged deck. Also presented is a wide variety of tricks, including discourses, self-working tricks, one-handed tricks, stranger cards, and such individually famous tricks as the four aces, the rising cards, and the finger spread. In addition, the authors include a complete exposition of misdirection (deception)—to warn the card player and aid the magician—and a performer's guide to misdirection and patter.

Many of the methods explained were revealed here for the first time, while many previously known tricks are presented in improved versions. In every case the aim is simplicity of technique for the purpose of mystifying an audience, not technique for the sake of technique. An unexpurgated collection of methods and manipulations, this classic work will help any aspiring magician to achieve expert card technique.

Unabridged republication of the original (1940) edition. 318 illustrations. xvi + 348pp., 3 1/2 x 5 1/2. 27704-6 Paperbound

A DOVER EDITION DESIGNED FOR YEARS OF USE!

We have made every effort to make this the best book possible. Our paper is opaque, with minimal show-through; it will not discolor or become brittle with age. Pages are sewn in signatures, in the method traditionally used for the best books, and will not drop out, as often happens with paperbacks held together with glue. Books open flat for easy reference. The binding will not crack or split. This is a permanent book.
