finish reading this book I am confident that you will be a better player. Wherever possible I try to give you real world examples of the concepts I am discussing. Theory without applications is useless and I recognize that my readers need more than just theory to help them improve. Included in *Exploitive No Limit Holdem* is an extensive discussion of how to improve your red line, the mental game, math, expected value, game theory and risk management. Very little in poker is solved and that makes teaching the game challenging. *Exploitive No Limit Holdem* focuses not only on how to fix leaks in your game and attack opponents weaknesses but also on how you can keep growing as a player after reading this book. *Exploitive No Limit Holdem* can help you deepen your understanding of No Limit Holdem which will enable you to adapt and stay profitable in a dynamic and rapidly changing industry like poker.
