Excellence And Equity Education And The Public Dimension Of Museums

Jeannette K. Thomas

Excellence And Equity Education And The Public Dimension Of Museums:

Excellence and Equity American Association of Museums, Ellen Cochran Hirzy, 1992 Gives an expanded definition of museums education role that involves the entire museum from trustees to customer service officers in the galleries from public relations staff to docents from curators to educators

Excellence and Equity Ellen Cochran Hirzy, 2008-01-01 This landmark report affirms the contributions museums make to the educational needs of the nation The report helps museums define how well they are carrying out their educational mission and serving the public The principles are accompanied by specific recommendations which museums can implement to meet challenges as the stewards of educational excellence and equity

Excellence and Equity American Association of Museums. Task Force on Museum Education, 1992

Are Museum Governing Boards Using Excellence and Equity? Jeannette K. Thomas, 2002 In 1992 the American Association of Museums AAM published Excellence and Equity Education and the Public Dimension of Museums The report helped focus the field's attention on the idea that museums must better listen reflect and react to the needs of their local communities The AAM advocated that museums should include the many elements of their communities in all operations and programs and recommended ten specific ways for museums to commit to the policies of excellence and equity in their operations To lead an organization successfully to this new focus a museum's governing authority would need to commit to these principles and dedicate the museum's resources to this purpose I concluded that while Excellence and Equity has been an important tool for museums the conversation about inclusiveness started not from its publication but because of the emerging standards in the museum field

The Routledge Handbook of Museum and Heritage Education Margaret McColl, Pete Brown, Michelle Delaney, Karl Borromäus Murr, Henrik Zipsane, 2025-06-24 The Routledge Handbook of Museum and Heritage Education is a practical reference guide that shows how museums galleries and heritage sites can offer opportunities for successful visitor engagement Defining museums as all cultural sites that interpret collections and spaces for public education understanding and enjoyment this volume argues that museum education has a central role in the development of policies practices and research for engagement Including contributions from experts across the globe the volume shows how these sites can continue to offer unique opportunities for social physical emotional and academic engagement that are much needed to inform and empower museum visitors internationally It also demonstrates how museums galleries and heritage sites can be utilised for the betterment and sustainability of our world and the societies we live in Combining rich theory with innovative practice this book provides a comprehensive analysis of museum and heritage education today The Routledge Handbook of Museum and Heritage Education will be of interest to academics students and professionals who are based in the fields of museum education heritage adult and community education cultural studies social studies psychology and tourism

Civilizing the Museum Elaine Heumann Gurian, 2006-05-17 Written over a thirty five year career the essays in *Civilizing the Museum* introduce students to the powerful sometimes contested and often unrealized notion that museums should

welcome all because they house the collective memory of all Drawing on her experience working in and with museums in the US and throughout the world Author Elaine Heumann Gurian explores the possibilities for making museums more central and relevant to society The twenty two essays are organized around five main themes museum definitions civic responsibility and social service architectural spaces exhibitions spirituality and rationality And these themes address the elements that would make museums more inclusive such as exhibition technique space configurations the personality of the director the role of social service power sharing types of museums the need for emotion humour and spirituality Without abandoning the traditional museum processes Gurian shows how museums can honour tradition whilst embracing the new Enriched by her experience in groundbreaking museums Gurian has provided a book that provokes thought dialogue and action for students and professionals in the field to realize the inclusive potential of museums
