identify behaviors and beliefs they may wish to change in order to achieve more of their potential in college and in life. Students have an opportunity to revisit their self assessment at the conclusion of the text. Written in a positive motivational style, ON COURSE empowers students with the tools they need to take charge of their success in college and in life. Downing's distinctive guided journal entries help students develop essential life skills by encouraging exploration of personal responsibility, self motivation, interdependence, and self esteem. Extensive coverage of study skills, reading, note taking, memory, and test taking provided in the Wise Choices in College sections helps students excel in all of their college courses. Students are encouraged by hearing from their peers through a unique feature called One Student's Story, which highlights the implementation of the text's strategies. The Confident Student Carol C. Kanar, 2010-01-01

THE CONFIDENT STUDENT Seventh Edition provides practical and immediately applicable skills and critical thinking strategies by emphasizing self discovery, self management, and self assessment with an underlying theme of helping first year students to be more confident in their approach to learning. THE CONFIDENT STUDENT's core values of individual responsibility and confidence through accomplishment remain at its forefront by showing students they can succeed by applying themselves. The seventh edition pays particular attention to today's student diversity not only in their backgrounds but also in the ways they learn. Some learn best by reading, some are more visually oriented, and some learn best through practice and assessment. The conversational writing style coupled with the variety of strategies and exercises enhances the journey students take to becoming more successful in college and life. FOCUS on College Success Constance C. Staley, 2012-01-01

With increased attention paid to diversity, the application of skills to future careers, and even more relatable research, the third edition of FOCUS ON COLLEGE SUCCESS recognizes the varied experiences of today's students and guides them to be more motivated and focused. The research based approach builds a solid foundation, allowing students see the relevancy of this course to their lives. By helping students develop realistic expectations of what it takes to learn, FOCUS motivates and encourages students with direct applications and immediate results. Written by Constance Staley, one of the best known names in the field of motivation, this text increases the credibility of the college success course by providing tools that help students succeed and thereby improve institutional retention rates. Starting with the use of the FOCUS Challenge Cases that introduce each chapter, FOCUS ON COLLEGE SUCCESS strikes a personal and informal conversation with readers, directly connecting with them and drawing them into text discussions. In a recent survey of students using FOCUS, 97 % would recommend that their professor use this book again with next year's first year students. Many students today are over optionalized and over obligated. FOCUS ON COLLEGE SUCCESS addresses those issues head on, creating teachable moments and concrete results in every class period.
