Coloring Book Chico Publishing Group, 2020-01-31 Coloring Mandalas as a Meditation Technique Coloring mandalas could be a great way to establish a movement meditation practice Mandalas directly mimic the practice of meditation which encourages you to take small steps over a period of time to release layers of the self and the outside world to reach a place of inner clarity and peace As you color a mandala from the outside to the inside you can focus on letting go of an external thought worry or burden with each layer and concentrate on being present in the current moment Then as you continue to color and move closer and closer to the innermost layer your thoughts about yourself and the outside world can begin to dissipate and your mind and body can begin to feel more connected engaged lighter and free Each mandala is a unique professional quality creation hand drawn by the artist that you will find no where else Perfect for every age and skill level Increasingly more complex mandala designs as you progress through the book Your skills will grow as you color Each image is printed on its own one sided page of pure white paper to minimize scoring and bleed through ARTISTIC AND CREATIVE IMAGES Our 50 AMAZING Mandala Coloring Books for Adults Relaxation contain high detailed designs with beautiful floral and abstract elements Enjoy and have fun with a very happy and addictive way to relieve stress and get creative FEATURES SINGLE SIDED PAGES Our stress relieving coloring books for feature up to 50 images drawings on single sided pages to allow you to have more color variation for the same image MAKES THE PERFECT GIFT Our mandala coloring book pages designs make the perfect gift for anyone who loves mandala coloring book Great Gift For A Group or couples they can color together Surprise them with our coloring book to make their day and they would be delighted to receive your gift SUITABLE FOR ADULTS AND TEENAGERS Whether you are an amateur or an expert mandala coloring sheets allows you to explore your artistic side to color your book in any way you want The book contains various mandala design inspired images that enable you to unlock your potential and it is perfect for anyone with any skills level Healing Benefits of Coloring Mandalas From more serious conditions like dementia or PTSD to more common issues like stress or fatigue mandalas can have healing benefits Coloring mandalas activates both the right and left hemispheres of the brain Because of the concentric circular pattern of mandalas the coloring process is a journey that incorporates both creative self expression and logic The organized and somewhat linear nature of the concentric circles creates structure and boosts focus The left brain is triggered to hone in on the details and organization of the mandala Then within those parameters there s room for individuality and imagination The right brain is able to access the inner self and deep rooted desires that want to be expressed at the time of creation Mandalas and Mindfulness Coloring and mindfulness go hand in hand so what makes coloring mandalas particularly special The reason calls back to the use of the two sides of the brain in tandem and the balance of freedom and structure that mandalas create The concentric circular pattern of mandalas requires the brain to focus and be active in the present moment This immediately helps to deter the mind from wandering to the past or contemplating the future However it s balanced by the opportunity to express creativity through coloring the mandala which allows the mind to open and expand The perfect

harmony of concentration and freedom lets the mind become fully absorbed in the current moment This is what makes coloring mandalas an excellent activity to incorporate into any mindfulness practice *100 Mandalas Adult Coloring Book* Lurbind Press,2021-04-17 100 Magic Adult Mandalas to Color for Stress Relief Relaxation and Good Vibes with a personalized page where you can write your name a test color page as an additional bonus and five different elegant frames to color around each mandala This is a wonderful book for anyone who loves to color mandalas with a nice compilation of different styles and drawings more or less detailed You have a huge selection of mandalas to choose from with multiple patterns and multiple complexities and even with multiple types of frames Some pictures are very detailed and some are more open ranging in complexity from beginner to expert in coloring level This adult coloring book has 100 stress relieving mandala designs to help you enjoy your time have fun and relax through creative activities There are plenty of styles some mostly geometric others more Art Nouveau hearts and even flowers Some easy designs are for a nice quick late night destress color time others are more detailed for when you want to sit and get into playing with colors and shading Coloring is a scientifically proven way of expressing feelings of calmness and tranquility Whether you want to unwind from the day s stress hone your artistic talent or feel the benefits of meditative mindfulness this coloring book is for you Coloring is a good way to do something creative Coloring the intricate repetitive designs of a mandala is recommended as therapy to help you relax relieve stress and focus on something that detaches you from everyday life By coloring mandalas you will find new things about yourself and create your coloring style and pattern The colored mandalas will look brilliant when you are feeling great This book is also a wonderful gift for you or a special loved one Several benefits of coloring mandalas overcomes stress and anxiety reduces the risk of dementia helps you to cope with boredom and difficult times it is a fun and great activity to help with mental relaxation helps you practice mindfulness after a hard day challenges your imagination it helps you to focus on the design of mandalas and detach from daily problems gives you confidence in the use of various coloring choices stimulates your artistic ambition makes it easy for you to have fun and create art with your own hands last but not least you can feel like an artist Each of us has an artistic side we just need to unleash it Make yourself a great gift today and buy this mandala coloring book now This mandala coloring book for adults stress relief and relaxation includes 100 different mandala designs with five different types of frames a frame around each mandala Elegant frames which you can color as well Stress relieving designs great for relaxation and calming your mind Designs specially crafted to channelize your energies for creative expression Single sided Pages Each mandala is printed on a single sided page to minimize scoring and bleed through Single sided pages can also be easily removed and framed to display your favorites Color Test Page you can test all coloring choices and see what best fits your style and preferences Broad variety of designs suited for all skill levels ranging from beginner to expert level Designs suitable for a variety of coloring methods markers gel pens colored pencils fine liners and watercolors **100 Amazing Mandala Coloring Book** Mandala Coloring Book,2021-02-12 [Mandala Coloring Book](#)
