Tozer,2016-11-01 Dynamic Never Before Published Work on the Holy Spirit from A W Tozer What does it mean to have the Holy Spirit in our lives Many look to extraordinary experiences and manifestations as evidence of the Spirit But what happens when the event is over How can we experience the Holy Spirit in the ordinary everyday world How can we

be filled with the Spirit In this material taken from Tozer s sermons he answers these questions and explores life in the Spirit from a balanced perspective The church needs the gifts of the Spirit all of them or it will never be what God intends it to be But this has to happen in wisdom and humility Many people talk about being filled with the Holy Spirit but very few accept the conditions for being filled Tozer lays down requirements for the Holy Spirit to come into our lives and transform us into Spirit filled people Though every Christian has the Holy Spirit not every Christian is filled with the Holy Spirit He explains the difference and how it could change the evangelical church of today

The Doctrine of the Holy Spirit Yacob Godebo,2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha

Living in the Power of the Holy Spirit Charles F.
