

**Student Learning Objective (S.L.O.)  
Elementary Physical Education  
Content Knowledge**

<b><i>Objective Summary Statement</i></b>	Students will demonstrate mastery of content knowledge in physical education in the curricular areas for skillfulness, bio-mechanical principles, exercise physiology, physical activity and social psychological principles as measured by the district-wide summative assessment.
<b><i>Data Review &amp; Baseline Evidence</i></b>  <b><i>(Before instructional interval begins)</i></b>	<p>The data used to support this SLO include district-wide content knowledge summative assessment administered in Grade 5 during 2011-2012 school year.</p> <p>Mean scores on the district-wide cognitive assessments for 2011-2012 pretest and post test will be used as historical data in the data analysis process to measure student progress.</p> <p>Mean score of students on the 2011-2012 pretest was ____</p> <p>Mean score of students on the 2011-2012 post test was ____</p> <p>District-wide content knowledge summative assessment administered in Grade 5 during 2012-2013 school year will be used as baseline data.</p> <p>Mean score of students on the 2012-2013 pretest was ____</p>
<b><i>Student Population</i></b>	All Elementary School Physical Education Students in Grade 5 are targeted for this SLO.
<b><i>Learning Content</i></b>	The Maryland State Standards for the Physical Education were used to develop this SLO. Fifth grade content knowledge in the curricular areas for skillfulness, bio-mechanical principles, exercise physiology, physical activity and social psychological principles are the focus for this SLO.
<b><i>Instructional Interval</i></b>	<p>School year 2012-2013 (one year)</p> <p>Physical education instruction varies by local school system; however instruction usually occurs weekly for the entire school year and represents a significant portion of the instructional period.</p>
<b><i>Target</i></b>	<p>There is a need for historical data on content knowledge of students at the elementary level to establish student growth measurements. Baseline data will be collected during the pilot year to help identify select groups of students or specific content that needs to be specifically addressed during the next school year. Mean scores on the cognitive tests will be used to determine future grade level targets and identify areas for additional instruction for student subgroups during this pilot phase of the cognitive assessment process.</p> <p>85% of fifth grade students, who are in attendance 80% of the time, will demonstrate mastery based on the mean score of at least 80% for content knowledge in physical education as measured by the district-wide summative assessment.</p>

### **Elementary Physical Education Slo Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Elementary Physical Education Slo has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elementary Physical Education Slo has opened up a world of possibilities. Downloading Elementary Physical Education Slo provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elementary Physical Education Slo has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elementary Physical Education Slo. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elementary Physical Education Slo. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elementary Physical Education Slo, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected

websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elementary Physical Education Slo has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
