Eccentric Preachers Charles Spurgeon:

Eccentric Preachers Charles H. Spurgeon, 2024-08-01 Charles Spurgeon's *Eccentric Preachers* will be particularly useful to preachers, teachers, and soul winners who should keep this book close at hand. On days when confidence is low and spirits are drained, they will find it a rich source of personal encouragement and spiritual refreshment. Besides examining what it means to be eccentric and whether we should be concerned with such a label, Spurgeon also gives us an overview of the lives and ministries of eleven unforgettable preachers of the Gospel. They, with their slight quirks, were noteworthy but also powerful in their service to Christ. These eleven men, who loved and served God with all their heart, will inspire, challenge, and even amuse you. You will learn how you can, within reason, move forward boldly in the work of the Lord, freely and unabashedly, using the gifts and talents He has bestowed upon you for His glory. Preach biblically, lovingly, and truthfully, but also boldly, unashamedly, and with all your heart. You will enjoy this book, laugh occasionally, and perhaps even shed a few tears as you realize you are not alone. No matter what others may say about you, the Lord will work through you mightily as you take up the mantle and work earnestly for Him.

Eccentric Preachers Charles Spurgeon, Revival Press, 2017-03-21 I HAVE published this little volume very much in self-defense. Some years ago I delivered a lecture on *Eccentric Preachers*, and a reporter's notes of it were published in one of the newspapers. These, like all such things, were mere pickings and cuttings, and by no means the lecture itself. Gentlemen of the press have an eye to the amusement of their readers and make selections of all the remarkable anecdotes or odd sayings used by a speaker, and when these are separated from their surroundings, the result is anything but satisfactory. No man's speeches or lectures should be judged of by an ordinary newspaper summary, which in any case is a mere sketch, and in many instances is a vile caricature. I thought no more of my lecture till the other day I found the mere rags and bones of the reporter set forth in America as an address by myself, worthy to be bound up with my book upon *Commenting and Commentaries*. Those notes were all very well for a newspaper, but I altogether disown them as my production. It amazes me that the American editor should not have corrected the more obvious mistakes of the reporter, such as calling Peter Cartwright Peter Garrett and Lady Ann Askew Lady Askayne. Peter Cartwright was an American backwoods preacher, and his name should have been familiar to the American editor, but some publishers are so intent upon getting out their books that they cannot afford time for correction. Finding that I had by me the whole of the mutilated lecture, I thought of printing it to show what I had really spoken, but upon looking it over, I judged it to be better to expand it and make it into a small book. I hope the reader will not be a loser by my resolution. I desire by this little volume to plead against the carping spirit which makes a man an offender for a word, and the lying spirit which scatters falsehood right and left to the injury and grief of the most zealous of my Master's servants. Many hearers lose much blessing through criticizing too much and meditating too little, and many more incur great sin by calumniating those who live for the good of others. True pastors have enough of care and travail without being burdened by undeserved and useless fault-finding. We have something better to

do than to be for ever answering every malignant or frivolous slander which is set afloat to injure us We expected to prove our ministry by evil report and by good report and we are not therefore overwhelmed by abuse as though some new thing had happened unto us and yet there are tender loving spirits who feel the trial very keenly and are sadly hindered in brave service by cruel assaults The rougher and stronger among us laugh at those who ridicule us but upon others the effect is very sorrowful For their sakes are these pages written may they be a warning to wanton witlings who defame the servants of the Most High God As ministers we are very far from being perfect but many of us are doing our best and we are grieved that the minds of our people should be more directed to our personal imperfections than to our divine message God has purposely put his treasure in earthen vessels that the excellency of the power should be ascribed to himself alone we beseech our hearers not to be so occupied with the faults of the casket as to forget the jewel Wisdom is justified of her children and grace works by such instruments as it pleases Reader be it yours to profit by all my Master s servants and even by Yours truly C H SPURGEON GET MORE BOOKS AT REVIVALPRESS NET Eccentric Preachers Charles Spurgeon,2016-07-28 Charles Spurgeon was a popular Baptist preacher in the 19th century who became known as the Prince of Preachers Spurgeon served as the pastor in London for nearly 40 years and was a prolific author of Christian prayerbooks devotionals sermons and biblical studies Spurgeon s sharp wit still makes him one of the most popular and influential Christian authors today In this book Spurgeon gives valuable advice to people who want to become ministers and then provides small biographies of important preachers in his day *Eccentric preachers* Charles Haddon Spurgeon,1879 Eccentric Preachers Charles H. Spurgeon,2014-08-08 In this volume to the Shilling Series Charles Spurgeon sets out to publish a true accounting of a lecture he delivered entitled Eccentric Preachers Dissatisfied with how many characterized that lecture Spurgeon set out to correct a number of erroneous reports attributed to him In this work his self defense he offers a number of anecdotes and stories of great preachers with unusual characteristics and all of them eccentric **Eccentric Preachers** Charles H Spurgeon,2024-08 Eccentric Preachers Charles H. Spurgeon, Volume 68** Spurgeon, Charles H., Volume 68 Autobiography Diary Letters and Records Volume 3 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at

last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **C.
