Bain,2023-08-12 In *An Essence of the Dusk* by F W Bain the reader is transported to a world of mystical poetry and delicate beauty The book is a collection of romantic poems that weave together themes of love nature and spirituality Bain s lyrical style and vivid imagery create a dreamlike atmosphere that immerses the reader in a world of dusk tinted emotions and timeless longing This work is a masterpiece of late 19th century romanticism echoing the influences of Percy Bysshe Shelley and John Keats F W Bain a British author and scholar was known for his translations of Eastern literary works and his deep knowledge of Sanskrit and Persian poetry His expertise is evident in the intricate wordplay and cultural references found throughout *An Essence of the Dusk* Bain s own fascination with Eastern philosophies and mystical traditions likely influenced the themes and imagery present in this collection I highly recommend *An Essence of the Dusk* to readers who appreciate soul stirring poetry and a deep exploration of human emotions Bain s work is a treasure trove of beauty and wisdom perfect for those seeking to delve into the depths of the human experience      *An Essence of the Dusk Translated from the Original Manuscript by F. W. Bain* Francis William Bain,University of St. Andrews. Library. Reserve Collection,1914      **An Essence of the Dusk** Francis William Bain,2020-11-21 *An Essence of the Dusk* by F W Bain contains three stories A Haunted Beauty A Total Eclipse and A Fatal Kiss from the American author and long time resident of India who wrote stories which he claimed were translated from Sanskrit that received enthusiastic praise from Mr E V Lucas the author of the life of Charles Lamb and the editor of the works of Lamb Lucas says Mr Bain s *An Essence of the Dusk* I find delightful partly for its own wistfulness and beauty but even more for the impetus it gave me to return to its six predecessors earn of which I have since read again in their true order beginning with A Digit of the Moon The last is I think perhaps the least of the series but its companions are its only rivals There is a tenderness a richness of color a warmth of passion and an elemental understanding of men and women in these books which one does not as a rule look for in English literature or associate with Scotch professors of mathematics The series seems to me to place Mr Bain on an eminence isolated and unique and I think that some of the prose in the introductions where he writes frankly in his own person ranks with the best of our time But no words that I can write can fittingly express the fascination which these books have for me      **A Draught of the Blue - An Essence of the Dusk** Francis Bain,2021-12-02      **Together with an Essence of the Dusk** Francis William Bain,2019-03-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United
