**Essential Japanese Grammar** Everett F. Bleiler, 1963-01-01 This logical developmental presentation of the major aspects of Japanese grammar includes all the necessary tools for speech and comprehension Designed for adults with limited learning time who wish to acquire the basics of everyday Japanese this grammar features numerous shortcuts and timesavers Ideal as an introduction supplement or refresher     *Analytic Dictionary of Chinese and Sino-Japanese* Bernhard Karlgren, 1974-01-01     Essential Japanese Grammar Masahiro Tanimori, Eriko Sato, 2013-02-08 Essential Japanese Grammar is an indispensable study guide for students of the Japanese language at all levels Long the standard in Japanese language education it provides clear jargon free explanations of how Japanese grammar works and offers hundreds of example sentences An essential handbook for self study or the classroom students will find that a strong foundation in grammar is vital to those wishing to learn Japanese Essential Japanese Grammar presents many unique features First grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required Second abundant example sentences are written in Japanese characters kana and kanji followed by romanji and English translations Third the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs adjectival nouns clauses adverbs etc This Japanese grammar book contains Parts of speech Sentence constructions Conjugations forms Speech styles and tones Accentuation rules Essential words and functional elements An appendix for referencing and cross referencing Japanese words     Essential Japanese Grammar E. F. Bleiler, 2012-06-07 Although not a member of the Indo European language family Japanese is not too difficult grammatically for an English speaker It is astonishingly regular in its formations exceptions and irregularities can usually be numbered on one's fingers and once the student masters a few conventions of linguistic classifications of experience he will find that he can express most of his wants This is the first Japanese grammar written for the adult with a limited objective in studying Japanese to express oneself orally with reasonable accuracy to understand simple material addressed to oneself and to be able to analyze understand and enlarge material in a phrase approach The author has limited this book to modern colloquial Japanese and does not overburden the student with literary language rarely used alternate forms unnecessary abrupt forms causatives and direct conditionals and similar forms that might be required for a full knowledge of the written language On the other hand this book is not simplified Japanese nor baby Japanese nor kitchen Japanese It is the full idiomatic language with thorough treatments of the material you really need the noun pronoun adjective demonstrative words adverb verb negative forms Chinese forms courtesy and honorific forms idiomatic constructions word order relationship of ideas syntax etc Emphasis has been placed upon clarity of exposition so that the English speaking reader can understand what is really happening in Japanese even if he has never studied any foreign language before For this reason explanation rather than brute memory work is stressed examples are given for all constructions and both word for word and free translations are given to acquaint

the reader with thought processes Hints are given on avoiding difficult constructions Japanese is presented in the Romaji transliteration which can be read at sight Characters are not used
