*The Essentials of Social Studies, Grades K-8* Kathy Checkley, 2008-01-15 In today's climate of accountability and high stakes testing many U S schools are choosing to focus on the three Rs to the exclusion of other subjects including social studies Yet it is more crucial than ever for schools to foster the qualities that will enable students to actively participate in a democratic and global society The Essentials of Social Studies Grades K 8 takes a look at how innovative educators are helping students to hone these skills Readers of this book will learn more about The challenges that elementary and middle school teachers face in keeping social studies in the curriculum How to align social studies lessons with curriculum standards Strategies to infuse social studies instruction with passion and purpose Ways to promote students deep understanding of social studies content Why lessons and assessments should give students opportunities to solve problems work on projects and engage in simulations How social studies can prepare students for a lifetime of active civic involvement Professional development that will help teachers bring the social studies curriculum to life in the classroom The future of the United States in no small part depends on how well social studies teachers prepare students to assume their responsibilities as citizens The Essentials of Social Studies Grades K 8 will help teachers rise to this considerable challenge

*Elementary Social Studies* June Chapin, 2013 Designed to focus on central concerns in teaching social studies in a standards based environment this brief text enables teachers to successfully implement a social studies curriculum with concepts strategies and values relevant to elementary and middle grades The 9th edition clearly presents in a friendly tone the essential content and methods for successful social studies teaching in today's diverse K 8 classrooms

**Powerful Social Studies for Elementary Students** Jere Brophy, Janet Alleman, Anne-Lise Halvorsen, 2012-03-29 POWERFUL SOCIAL STUDIES FOR ELEMENTARY STUDENTS examines the nature and purpose of social studies as it outlines ways to select content and teach history geography and social sciences more meaningfully These respected authors present principles and illustrative examples to help pre service and in service teachers plan well organized social studies instruction that produces

positive student outcomes The Third Edition emphasizes the importance of using developmentally appropriate content and methods when helping students to develop social understanding and civic action and includes a solid research base that is reflective of the current NCSS standards Rather than advocating the elimination of the traditional content framework used to organize the social studies curriculum expanding communities framework the authors call for retaining the most important topics that have traditionally been emphasized and for teaching these topics in more coherent and powerful ways Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
