

A family of four is gathered around a table, celebrating a birthday. A woman with curly blonde hair is clapping and smiling. A young boy is looking up at her. Another woman with long blonde hair is standing behind them, also smiling. A young man is sitting at the table, wearing a colorful striped shirt. In front of them is a large rectangular cake with white frosting and colorful decorations. A light blue balloon is visible in the background. The scene is set indoors, with large windows in the background showing a view of a city. The HBO logo is in the top right corner.

cant be any child of God that ought to glory in anything save in the cross thus it is the hallmark of the church and the crux of the Gospel This inspirational and expository study shows how the cross was in the mind of God long before man invented it The cross is the reason God sent his one and only Son into the world to save mankind from sin and death In Christianity the cross became not only a symbol of the shameful death of Jesus Christ as a criminal but also of his subsequent resurrection to eternal life and of his promise of salvation to Christian believers There is a crossless Christianity which hinders a deeper dimension of consecration responsible for the carnality we see in the church today Richard Kema in this book helps us to appreciate the power of the cross as the only way to salvation deliverance and restoration Dr Steve Ogan Children of the Church Magazine ,1900 *The Biology of Birds* John Arthur Thomson,1923 **The Congregationalist and Christian World** ,1907 Journal of Nervous and Mental Disease ,1923 July 1918 1943 include reports of various neurological and psychiatric societies **American Motorist** ,1924 **Our Times: America finding herself** Mark Sullivan,1927
