## **Finding Joy Dona Buchheim:**

*Finding Joy* Dona Buchheim, 2015-11-25 Leah Anderle is trying to get on with her life now that both of her parents are deceased. She occupies her days working as a paralegal in a prestigious Chicago law firm and spends her nights attempting to dissect flashbacks about her mother that continually haunt her. On the same day she seeks assistance from a private investigator, a junior partner in the law firm asks her out to dinner to discuss a case. Alan Parkin is the handsome nephew of one of the founders of Marsden Willett and Desmond. Although attracted to him, Leah has no expectations for their dinner date other than to hash out legal strategies. As one date turns into several, their friendship transforms into love, dismaying Horace Marsden who is determined to prevent his nephew Alan from making a mistake. But everything changes when a surprising discovery forces Leah to make difficult decisions and a series of events causes Alan to question his commitment to the legal profession and his ability to function in the so-called real world. *Finding Joy* is a poignant story of love, loss, disappointment, and failure as a young woman and her soul mate search for forgiveness, happiness, and themselves.

*Finding Joy*, 2021      **FINDING JOY WITHIN.** DAVID. CORBY, 2015      **Finding Joy** Joy Tanya Olmstead, 2004

**Finding Joy** Joy Melton, 2016-02-12 Joy Melton knows what the feeling of abandonment does to a child. She was among the millions of fatherless children in this world. A lifetime without the love of a father caused so much pain in her life. The pain led to fearfulness and she would often doubt herself. She struggled daily with feelings of worthlessness. The scars of rejection in her heart began to turn into resentment and eventually hate toward the dad who had left her. She began the journey to find herself that God laid on her heart. Joy shares the story of her childhood without a daddy, finding the love of her life, and eventually finding her joy. This was not the joy she initially sought after, but it was the joy God wanted her to find. Through her faithfulness to God and following His call for her life, she learned to forget what scarred her past and live with Christ in the present. She learned to forgive the men that walked out of her life and in doing so, God granted her peace that flowed abundantly. She let go of what she wanted for herself and saw that what God has for her is so much better. Joy found that God is the one who determines her worth and defines her, not circumstances of the past or struggles of this life. She started out looking for herself and what she found was joy.      *Finding Joy in the Journey Vol 2* Vernessa
