convinced her husband isn't who he appears to be Agent Grayson Hall's number one priority is to catch those responsible for the day's act of terror All evidence is pointing to Taryn and her new husband But his instinct tells him her pleas of innocence are genuine Is her naivety just for show or could she truly be another victim of a master scheme possibly linked to the software she recently developed for her company With both their lives and reputations on the line and the media outcry for justice increasing with each passing minute Taryn and Grayson have no choice but to trust one another and pray they can uncover the truth before they become two more casualties

Double Cross DiAnn Mills, 2015-03-20 FBI Agent Laurel Evertson's investigation into a scam targeting the elderly takes an unexpected twist when key evidence leads her to Morton Wilmington a felon she arrested five years ago on her first undercover assignment That case has haunted her since and though she's vowed to forget Wilmington and what she sacrificed to put him away he is now her best lead Houston Police Officer Daniel Hilton fears his grandparents may be the scammer's next targets and he'll do anything to protect his family even force interagency cooperation But he's quickly drawn to Laurel's empathy and zeal and agrees to follow her lead even if it means teaming up with a felon As the unlikely trio uncovers evidence suggesting the scam is more extensive and deadly than they imagined both Laurel and Daniel find themselves in the crosshairs of a killer Together they must decide if they can trust Wilmington's claims of redemption or if he's leading them straight into a double cross

Deadlock DiAnn Mills, 2015 Two murders have rocked the city of Houston Are they the work of a serial killer or is a copycat trying to get away with murder That is the question facing Special Agent Bethany Sanchez who is eager for her new assignment in violent crimes but anxious about meeting her new partner Special Agent Thatcher Graves once arrested her brother and he has a reputation for being a maverick When hot leads soon fizzle out their differences threaten to leave them deadlocked But an attempt on their lives turns up the heat and brings them closer together and a third victim might yield the clue that will help them zero in on a killer

Talking Book Topics, 2015-05 **Fatal Strike** DiAnn Mills, 2019-09-03 There's a killer on the loose in Galveston targeting law enforcement officials and using a fatal injection of snake venom to take them down Authorities have reasons to believe the Veneno gang is behind the hits and FBI Agents Leah Riesel and Jon Colbert team up to track down those responsible Their best lead is an eyewitness who identifies a young man dumping the third body on a church doorstep But their suspect has gone into hiding and those closest to him are reluctant to reveal anything that might help investigators find him As Leah and Jon check connections among the victims and dig deeper into motives they discover appearances may be deceiving Someone is desperate to keep their secrets hidden and Leah and Jon must face their greatest fears in order to stop the next fatal strike
