**1 Corinthians** J. Ayodeji Adewuya,2019-04-09 New Testament scholars have widely recognized and acknowledged the occasional nature of Paul s first canonical letter to the Corinthians In the letter Paul addresses real problems that were faced by real people in a real world This commentary shows how the church in the twenty first century mirrors the Corinthian Church in many ways It goes further to show how the church in the present day particularly its leaders could benefit from how Paul addressed the situations that the church faced Life Application New Testament Commentary Bruce B. Barton,Livingstone,2001 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament A key resource for anyone who wants to understand the New Testament and how it applies to real life Life Application New Testament Commentary Livingstone,2016-07-01 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament Now readers can get all the useful background information they need without a lot of obscure facts they don t need A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life **Subject Guide to Books in Print** ,1997 *Colossians- Everyman's Bible Commentary* Everett Harrison,1971-06-01 The epistle of Paul to the Colossian church was primarily intended to answer the heresies of that day but as Dr Harrison points out in the process of meeting error the apostle was led to give us deep insights into the person and work of our Savior Dr Harrison considers historical setting and authorship then following the progression of the epistle moves on to examine Christ in creation and redemption and the ministry of Paul and the Colossian church contrasting the poison of false teaching with positive fruits of living in Christ **Religious Books and Serials in Print 1978-1979** R.R. Bowker Company. Department of Bibliography,1978-11 *First Corinthians* G. Coleman Luck,1967 **Religious Books and Serials in Print, 1980-1981** ,1980 *Mark- Everyman's Bible Commentary* Earle Ralph,1970-06-01 Designed for laypeople these commentaries deal seriously with the biblical text without being overly technical Introductory information

doctrinal themes problem passages and practical applications are examined **A Popular Survey of the New Testament** Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today s believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament **Religious Books and Serials in Print** ,1982 Teaching and Understanding Pneumatology & Spiritual Gifts Elijah E. Dunbar, 2009-05-22 The geographical extent of the orient and occident is a validation of the cultural and ideological differences that have existed with constancies between the two hemispheres throughout the ions of time Ideological pluralism has been the common practice of the inhabitants of both spheres but with unique manifestations Christianity along with other religions are warmly embraced and pragmatically characterized by the orientals and occidentals with reserved peculiarities Oriental Christians viewed pneumatology as being a significant particle of their theological and liturgical lives while Occidental Christians see Christology as the primal substance in Christianity Although both groups have a history of singling out this distinction over the years theologians and theology have helped both sides understand the importance of both pneumatology and Christology in Christianity It is concertedly understood that neither of the two can be studied or taught without the other Their inseparable existence makes Christianity a complete whole The authors exploration and literary expedition through myriad of sources allow him to compile data relevant to understanding the importance of the Holy Ghost and Spiritual gifts within the Christian community Whether a secular or non secular intellectual you will find the information in this book to be rewarding resourceful and informative You will come across comments from some of humanitys and Christendoms finest and brightest academics in an eclectic form Join the author now on his literary expedition Welcome Messiah in the Mishkan Chris Woodall, 2023-12-13 A widely recognized principle of hermeneutics is to garner as much information as possible regarding what the text s under consideration meant to its their original audience or readership For a Western Christian three and a half millennia hence this is perhaps more difficult than might be imagined But the reward is worth the effort the prize is worth the price Typology is the study of types and antitypes and features heavily in this work As each item of furniture in the tabernacle in the wilderness is subject to analysis their fulfillment in Christ and the practical application for believers of such fulfillment is thereby exposed The journey for the reader begins where it ended for the majority under Moses leadership at the brazen altar After bathing at the brazen laver we are then allowed to join the priests as they undertake their duties in the Holy Place attending the table of shewbread the golden lampstand and the altar of incense We then accompany the high priest into the Most Holy Place and find out why we

are now permitted to stand before the ark of the covenant It is a journey of discovery and it will do you good Num 10 29

Contesting Languages Ekaputra Tupamahu,2022-11-04 How did the Apostle Paul navigate the language differences in Corinth In this book Ekaputra Tupamahu investigates Corinthian tongue speech as a site of political struggle Tupamahu demonstrates that conceptualizing speaking in tongues as ecstatic unintelligible expressions is an interpretive invention of German romantic nationalist scholarship Instead drawing on Mikhail Bakhtin s theories of language Tupamahu finds two forces of language at work in the New Testament a centripetalizing force of monolingualism which attempts to force heterogeneous languages into a singular linguistic form and a countervailing centrifugal force that diverse languages unleash

**1 Corinthians- Everyday Bible Commentary** Robert B. Hughes,2019-03-05 Divisions immorality marital strife spiritual gifts money wisdom folly and holiness these may have been Corinthian problems first but we need Paul s wisdom just as much today But it can be confusing to read 1 Corinthians on our own What we need is a guide someone who can explain what s going on in the world outside the letter and bring to life Paul s words of exhortation This is what the best preachers do but you don t have to wait until Sunday s sermon Encounter the beautiful depth of 1 Corinthians through an enlightening verse by verse commentary from Robert R Hughes that s both straightforward and insightful You ll gain Important historical and cultural background Insights from the original languages Help with the difficult passages And more You don t have to go to seminary to encounter God in exciting new ways through His Word Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life     Books in Print Supplement ,1985     **American Book Publishing Record** ,2003     *Union Catalog of the Graduate Theological Union* Graduate Theological Union.
