Finding of the Third Eye Vera Stanley Alder, 1970-01-01 A discussion of the secrets of breathing color sound diet and exercise and how these can be used to develop the third eye Includes recommendations for the final steps to mastery of the self and the dangers on the path to wisdom **The Finding of the 'Third Eye'** Vera Stanley Alder, 1968 *Finding of the 'third Eye'* Alder Vera Stanley, 1972 *The Finding of the Third Eye* Vera Stanley Alder, 1987-01-01 *The Opening of the Third Eye* Dr. Douglas M. Baker, 2014-03-02 The Opening of the Third Eye The human brain is a priceless computer lying perfectly maintained but almost silent None of us uses the full potential of this amazing instrument yet we all possess a secret trigger for activating its mechanism Called the Third Eye in occult language this trigger can release a vortex of psychic energy for the extension of awareness in new dimensions for speeding up or slowing down time as experienced on our planet and achieving one hundred per cent personality integration Dr Baker reveals that the Third Eye derives its power from the pineal pituitary and carotid glands allied to whirlwinds of energy known as chakras or force centres There are seven of these centres in the human body their physical location being the base of the spine the solar plexus the spleen the heart the throat the brow and the top of the head Five safe techniques for arousing the Third Eye are provided They have been practised by the author without hazard and with many rewards for over forty years In our present condition we can only observe the outer surface of the planet manifesting in gaseous liquid and solid form We are completely unaware of the subtler states of matter beneath these outward appearances But the Third Eye reveals all underlying structures This means that one could observe the termites in apparently solid wooden paneling or more constructively man's inner organs could be observed and all traces of disease in them immediately recognised with consequent enormous benefits to medical progress

Matthew 6 22 where it is said If thine eye is single the whole body shall be full of light Though this comes across as positive the text further goes on to discuss the connection to the third eye as having the potential to be one of light or darkness depending on if the intentions of the eye opener are good or evil However later in the Bible passages in Leviticus Chronicles Romans John and Ephesians go against this idea that the third eye may be good or evil It is even said that those who practice acts of the third eye like fortune telling and the like should be punished by death as well as those who have chosen to associate with them Eventually the earlier support for the third eye is explained the third eye or sixth sense that is spoken of is a connection to the Holy Spirit and it is this spirit that should be used for guidance This taking in of the Holy Spirit should be so much that it fills which keeps out the evil spirits because there is no room for them It is common to hear the third eye referred to as a chakra with it being one of seven that are found at various points in the body These chakras align with the unified field theory and ideas presented in quantum physics that humans are not single entities but instead made up of atoms and molecules that have aggregated together Each human entity is just a physical body that has been assigned to contain the seven chakras The chakras explain different energy centers found in the body each of them with its own location and color Many cultures believe that the flow of energy is important to health that is why treatments which align qi or energy like Reiki and acupuncture are used to treat some conditions according to traditional medicine practices It has been used for high blood pressure pain in the joints back or anywhere else migraines and more In this book you will learn more about How to open your third eye Healing mind and body through meditation The ways to protect yourself during third eye activation Chakras yoga Experiences after the opening of the third eye The powers of an open third eye Using crystals oils plants and other tools for chakra healing Setting the environment for third eye meditation Other practical advice for opening the third eye Balancing chakras Finding happiness through your spirit Interacting with the third eye Meditation and the third eye AND MORE What are you waiting for Click buy now **Third Eye Awakening** Serenity Marcus,2020-10-21 Are you looking for surprising potential which will help you shift your mindsets and look at life in a whole new way Have you always been highly sensitive to other people s feelings however you don t know how to manage this sensitivity Do you feel the need to improve your spiritual practices to achieve spiritual enlightenment Then you have found the enlightening and comprehensive guide for you Inside the Chapters of this book I will teach you and I will show you everything you need to know about awakening your Third Eye and achieving enlightenment through secret way to balancing practices of mind and body Do you want to bring balance and inner peace into your life This book will take you on a journey to discover hidden powers locked inside you and teach you techniques to release them You will learn what 7 Chakras are how we discovered their existence and who has them and can heal them Together we will go through the journey of awakening the Chakras and I will be your guide on your journey to Self Healing through your Chakra system Chakras are a field of energy that vibrates at certain frequencies in your body When you are going about your everyday life you won t even notice that energy because we aren t shown or taught how
