## **Finding Our Forever The Forever Series Book 2:**

Choices: Forever Series, Book 2 Eve Newton, Being Queen of the Underworld isn't all it's cracked up to be. The last six months have been torture for me. My only constant it seems is my new hotter than hot Alpha Wolf and my beloved Louboutins of course. The struggle to get my life back on track is foiled not only by the sexy as sin Demon Overlord who shows up unannounced but by the mysterious Vampire Hunter who has made me his target de jour. And then there is my sire's first ever charge. A stranger to me that feels far too familiar for my liking. Forbidden doesn't even cover it which just makes him even more appealing to me. As my ever growing group travels to discover more about my role in all of this my world gets shaken to the core by an event that leaves me twisting in the wind. How will I fix it? Your guess is as good as mine. **Forever For Us** Carrie Ann Ryan, 2024-08-26 The Wilder Brothers series from NYT Bestselling Author Carrie Ann Ryan continues with an enemies to lovers workplace romance where Wyatt Wilder meets his match. The moment I found out my ex wife was cheating with my former best friend I knew I'd hit rock bottom and it was time for a change. With the freshly signed divorce papers in hand I want nothing to do with my old life as I start my new one with my brothers and our new distillery and bar on the Wilder Retreat. Only when I see my former best friend's ex Ava in need of a job I can't say no. Not when she has their eight year old daughter in tow and nowhere to go. Now I'm forced to work with the woman from my past I'd rather forget. We both want to move on but every time we're near each other the fire hadn't known we could have burns between us even brighter. We should say no. The complications would break us. Yet we can't walk away. Even when it would be safer for all of us if we do. About the Wilder Brothers Series. Introducing the Wilder Brothers. Six sexy built AF slightly overprotective brothers. Six women who won't back down in order to protect those they love. When the Wilder brothers return home after leaving the military and the lives they fought to build they'll have to start from scratch and create roots when they had none before. They're moving to a new state, a new town and with a new set of problems they never expected. Falling in love along the way isn't in the cards but the Wilder brothers should know by now you don't choose your fate, fate chooses you.
