DuBois,2022-02-13 Since its initial publication in the early nineteenth century Elias Lonnrot s Finnish epic Kalevala has attracted international interest and scholarship However the author comments that the distorting lenses of translation cultural difference and historical distance have rendered the work a cryptic and often misinterpreted text outside of its country of origin Even within Finland scholars have found it difficult at times to judge the relation of the Kalevala to its oral sources Lonnrot s meticulous notes and discussions of intent and accomplishment make clear what he changed and how he went about it but give us less inkling of why This study s view is that the key to understanding Lonnrot s changes lies in Romantic aesthetics and in the intellectual and socio political agendas which they encode Lonnrot created a Romantic epic out of Baltic Finnic folk poetry an epic complete with the narrative generic gendered and political characteristics of literary epics in nineteenth century Europe      *The Horn Book Guide to Children's and Young Adult Books* ,1998      **Books in Print** ,1977      *Go* ,1951-04      *Subject Guide to Books in Print* ,1983      **The Unofficial Guide to Cruises** Kay Showker,Bob Sehlinger,2007-08-27 From the publishers of The Unofficial Guide to Walt Disney World A Tourist s Best Friend Chicago Sun Times Indispensable The New York Times Five Great Features and Benefits offered ONLY by The Unofficial Guide More than 100 cruise lines and 500 ships reviewed and ranked for value and quality Complete details on cruise lines ships and itineraries around the world Industry secrets for getting the lowest possible fare plus extras like free vacation days Everything you need to know to make planning your cruise vacation fun and easy Helpful hints for getting the best cabin without breaking your bank account
