Firefighter Rescue And Survival:

Firefighter Rescue & Survival Richard Kolomay, Robert Hoff, 2003-04-01 Deliberate training in firefighter rescue and survival is a field that is new to many in the fire service and private industry alike For those firefighters and company officers assigned to a Rapid Intervention Team RIT not making the correct split second decisions such as immediately recognizing changes in fire behavior or failing to evaluate their level of SCBA air can result in the loss of the lives of the entire team In an effort to reduce the number of line of duty firefighting injuries and deaths while at the same time being proactive in the fire service training and leadership authors Richard Kolomay and Robert Hoff have drawn upon their combined 50 years of firefighting experience to put together this comprehensive guide Key Features Benefits Provides an awareness of firefighter safety and proactive fire service training Describes various types of serious firefighter injuries and fatality incidents during emergency incident operations Details recommended Rapid Intervention Team operating methods and procedures as well as how to activate a Rapid Intervention Team

The Functional Fire Company J. Scott Thompson, 2019-01-14 Scott Thompson author of *The Functional Fire Company* says the functional fire company concept was not created but realized I realized after many attempts at trying to view success in the organization from the top down that it wasn't possible Real indicators of success in the fire service come from the bottom up A fire department's success is best judged at the company level Many leaders and senior members have been taught the how but not the why and they don't understand the reasons for doing what they do Thompson says Because firefighting is such a technical activity we must ensure that we are explaining why we do things while we demonstrate the how It is essential that we develop critical thinking for solving fire suppression rescue and EMS problems WHAT OTHERS ARE SAYING Chief Scott Thompson combines his decades of experience and years of observation with today's leadership skills and provides a path for the successful fire department to follow The Functional Fire Company will take you step by step from being an ordinary fire department to one which defines excellence Rick Lasky Fire Chief ret Texas I found both motivation and a guide to implementation in this book Chief Thompson has provided a deep resource for all ranks from creating culture to setting up training structure I highly recommend this book to anyone with aspirations of making an organizational impact Brian Brush Chief Thompson has spent his entire career focusing on training and organizational effectiveness The Functional Fire Company is his life's work wrapped up into a playbook which offers insight into how to make your organization perform at maximum proficiency Experience perspective and a never quit mentality are evident as Chief Thompson provides a unique view to solving problems in the modern day fire service Terry McGrath Assistant Chief Lewisville TX Fire Department This book offers a living breathing example that Chief Thompson's principles truly work I hope you get as much value from this book as we have received from Chief Thompson's lessons and that you take what you learn back to your organization Garrett Rice The Colony Fire Department TX Battalion Chief A Shift

Last Man Down Richard Picciotto, Daniel Paisner, 2003-05-06 A first responder's harrowing account of 9/11 the

inspirational true story of an American hero who gave nearly everything for others during one of New York City's darkest hours On September 11 2001 FDNY Battalion Chief Richard Pitch Picciotto answered the call heard around the world In minutes he was at Ground Zero of the worst terrorist attack on American soil as the Twin Towers of the World Trade Center began to burn and then to buckle A veteran of the 1993 bombing of the World Trade Center Picciotto was eerily familiar with the inside of the North Tower And it was there that he concentrated his rescue efforts It was in its smoky stairwells where he heard and felt the South Tower collapse He made the call for firemen and rescue workers to evacuate while he stayed behind with a skeleton team of men to help evacuate a group of disabled and infirm civilians And it was in the rubble of the North Tower where Picciotto found himself buried for more than four hours after the building's collapse *Firefighter Survival*, 19?? *Firefighter Survival* Jim and Bob Pressler McCormack, James McCormack, Bob Pressler, Fire Department Training Network (Organization), 2002-02-01 A book that presents Fireground Skills in Fireground Language This book contains chapters on Managing Your Mayday SCBA Emergencies Disorientations Emergencies and Emergency Escape Techniques Detailed photos are included on the various skills covered **Rapid Intervention Company Operations (R.I.C.O.)** Michael R.
