GMAT Math Workbook Ender Markal, 2017-01-01 Students preparing to take the GMAT will find that this book gives the help they need to excel on the test's math section. Separate chapters review the fundamentals of arithmetic, algebra, and geometry. Another chapter gives special attention to the test's often perplexing word problems with advice on translating a problem's words into a specific equation. A final chapter focuses on the data sufficiency question type, which is new to many test takers. Every chapter in the book is filled with plenty of practice problems and detailed solutions. Two full-length model tests are included for further practice. The author also offers helpful advice on test preparation and test-taking tips and strategies.

Maternal-Child Nursing Test Success Frances H. Cornelius, Ruth A. Wittmann-Price, 2011-06-24 Based on a philosophy of active learning, this innovative and refreshing study aid is designed to help students learn the fundamentals of maternal child nursing through unfolding case studies. Nursing content is woven into vivid case vignettes that evolve over time, thus engaging students and helping them develop critical thinking and clinical decision-making skills. The text also serves as a comprehensive workbook for students preparing for the NCLEX-RN. It is the only maternal child nursing review text to integrate content with practice and professional responsibilities to foster an engrossing real-world learning experience. The case vignettes are based on actual cases and incorporate all core content topics: assessment, planning, intervention, and evaluation of patient care for maternal child nursing and NCLEX-RN success. The book includes multiple-choice, matching, true/false, and calculation questions, each related to the unfolding clinical situation. Exercise answers with rationale appear at the end of each chapter. References at the end of the book facilitate self-remediation. Nurse educators will also find this resource helpful for simulation experiences, classroom cases, group projects, and clinical conferences.

Key Features: Reviews maternal child nursing core content for course learning and test review prep, as well as for NCLEX-RN success.
