First Day Of School Books:

First Day of School (Read Along or Enhanced eBook) Wiley Blevins, 2022-09-01 It's time for Ick and Crud to start school. But who is really learning the lessons? Bob or the boys? Readers will relate to the setbacks and successes of the first day at school.

First Day Jitters Julie Danneberg, 2000-02-01 THE BESTSELLING KIDS PICTURE BOOK Calm first day of school anxiety with this classic back to school book that reminds students K-3 that everyone gets the jitters. Includes a Certificate of Courage for First Day Completion and a First Day Memories Sheet. Ink and watercolor illustrations and a funny and insightful story make this a teacher-approved classroom read-aloud. Booklist Sarah Jane Hartwell has that sinking feeling in the pit of her stomach; she's nervous and doesn't want to start a new school year. She doesn't know anybody and nobody knows her. It will be awful. She just knows it. With a little convincing from Mr. Hartwell, Sarah Jane reluctantly heads to class. Shy at first, she's quickly befriended by Mrs. Burton and is reminded that everyone at school gets the jitters sometimes. A beloved and bestselling back to school picture book, Sarah Jane's relatable story and surprise ending will delight kindergarteners, 1st, 2nd, and 3rd graders who are anxious about their first day of school.

Sofia's First Day of School Lisa Bullard, 2017-08-01 It's the first day of school. Sofia is a little nervous at first, but as she meets her new teacher, learns her way around the school, and makes friends, she realizes that school is fun and exciting. Find out what else Sofia learns on her first day of school.

My First Day At School Emmi S. Herman, 2025-09-29 It's Amy's first day of school, and she is a little nervous. So Amy's mother gives her a big hug and shows her a folded piece of paper. Then she quickly puts the paper in Amy's pocket and tells her to open it if she needs a little help. Follow Amy throughout her day as she meets new friends, eats lunch, and plays on the playground. What will happen when Amy falls, scrapes both of her knees, and has to go see the school nurse? Will she look at the folded piece of paper in her pocket? A positive ending will add interest and help calm young students' nerves about attending the first day of school.

Back to School with New Friends J. P. Anthony Williams, 2024-07-31 Join Bella the Bunny on her heartwarming journey as she hops into her first day at Forest School. Filled with excitement and a bit of nervousness, Bella wonders if she'll fit in with her new classmates. But with the help of Max the Fox, Oliver the Owl, and Lily the Squirrel, Bella soon finds that making friends can be the most wonderful adventure of all. What other readers are saying: A delightful read. My child couldn't stop talking about Bella and her friends. It's a perfect story for kids who are starting school.

Emily R. Parent: Beautifully illustrated and wonderfully written. This book made my daughter excited about her first day at school. Highly recommend.

Jason L. Parent: In *Back to School with New Friends*, young readers will delight in the charming story of Bella and her new pals as they navigate fun games like tag, explore the wonders of their woodland playground, and learn the true meaning of friendship. This enchanting tale, set against the backdrop of Whispering Woods, is perfect for children ages 4 to 7 who are starting school or experiencing new beginnings. Embark on a delightful journey with Bella and her friends today. Get your copy of *Back to School with New Friends* and make the start of the school year a magical

History of American Schoolbooks Charles Carpenter,2015-09-30 The lineage of American schoolbooks like that of our educational system goes back to Europe and particularly to England The first schoolbooks used in the United States were printed in England and for two hundred years a great influx of books came

from sources outside this country However with the break from England and the emergence of the United States as a nation text book publishing came into being in America This book presents a general portrayal of American textbooks and along with this as a requisite accompaniment a picture of the pioneer day school system insofar as it had to do with production and early usage of schoolbooks The author shows how the first textbooks came to be tells of textbook writers and traces through the bulk of the material presented the changes that most of the textbook authors brought about The types of books discussed include the New England primers as well as other types of primers readers specially the McGuffey readers rhetoric and foreign language books arithmetics spelling books literature texts elocution texts handwriting and copy books histories and many other books that made our school systems what they are today Besides being a study of the textbook field in America History of American Schoolbooks is also a history of the United States as reflected in the type of teaching and instructional aids used to educate Americans A study of this subject is by no means just an interesting side trip into America s past Many of the books are still influential and many of the old methods are staging a come back in the educational field History of American Schoolbooks should be of interest to educators and historians as well as teachers librarians book collectors publishers and general readers who are interested in the evolution and growth of a segment of education and educational publishing that is one of the most important and vital in our country *Back-to-school Book* Marge Michel,1997 The Irish School Books. An Analysis of the School Books, Published by Authority of the Commissioners of National Education in Ireland IRELAND [Ireland -1922]. Commissioners of National Education,1853
