## **Dusty An Intimate Portrait Of A Musical Legend:**

*Dusty* Karen Bartlett, 2014-06-17 Known the world over for her unique musical style distinctive look and a voice that propelled her into the charts time and time again Dusty Springfield was undoubtedly one of the biggest and brightest musical stars of the twentieth century Never one to be shy of the spotlight Dusty broke the mould as the first female entertainer to publicly admit she was bisexual and was famously deported from South Africa for refusing to play to segregated audiences during apartheid in 1964 just a year after the launch of her solo career Combining brand new material meticulous research and frank interviews with friends lovers employees and confidants journalist Karen Bartlett reveals sensational new details about the soul diva s unconventional upbringing tumultuous relationships and unbridled addictions including a lifelong struggle to come to terms with her sexuality Named one of the Sunday Times s best musical biographies of 2014 this is the intimate portrait of an immensely complicated and talented woman the definitive account of one of music s most legendary figures

**A Girl Called Dusty** Sharon Davis, 2011 *A Girl Called Dusty* Sharon Davis, 2013-04 Dusty Springfield is a pop music legend Goddess of the sixties reluctant recluse of the seventies enigmatic icon of the eighties and nineties she attracted a passionate following that has remained loyal to this day She crossed the line into soul music her first love but never turned her back on pop music A perfectionist in her work she was a shy awkward girl off stage Misunderstood and misquoted that was Miss Springfield She had a lifestyle to envy was the original IT girl and achieved many believed the height of decadence But who really knew her Who was the real lady behind the black mascara and backcombed hair This is the story that she never had the chance to tell herself because nearly two years after her first battle with breast cancer the disease returned to take her life in 1999 When the end finally came the music business descended into mourning tributes flooded in from all over the world The Daily Telegraph front page announced Dusty Springfield dies on day she was to get OBE and her Majesty The Queen was reported to be deeply saddened Dusty Springfield was the very heart and soul of British music Pet Shop Boy Neil Tennant who was responsible for her return to chart success in 1987 believed that she was the very essence of fabness

*The Resounding Soul* Samuel Kimbriel, Eric Austin Lee, 2016-09-29 It is surely not coincidental that the term soul should mean not only the centre of a creature s life and consciousness but also a thing or action characterised by intense vivacity that bike s got soul It also seems far from coincidental that the same contemporary academic discussions that have largely cast aside the language of soul in their quest to define the character of human mental life should themselves be so bloodless or so lacking in soul The Resounding Soul arises from the opposite premise that the task of understanding human nature is bound up with the more critical task of learning to be fully human The papers collected here are derived from a conference in Oxford sponsored by the Centre of Theology and Philosophy and explore the often surprising landscape that emerges when human consciousness is approached from this angle Drawing upon literary philosophical theological historical and musical modes of analysis these essays remind the reader of the power of the ancient

language of soul over against contemporary impulses to reduce fragment and overly determine human selfhood **Dusty** Sharon Davis, 2008 Dusty Springfield is a pop music legend Goddess of the sixties reluctant recluse of the seventies enigmatic icon of the eighties and nineties she attracted a passionate following that has remained loyal to this day This biography tackles many unanswered questions about Springfield's life *Surviving Michael Winner* Dinah May, 2014-10-27 They say you can tell a lot about a person from how they treat their employees In the case of Michael Winner the relationship with his personal assistant Dinah May tells us a great deal indeed In his life Winner was known publicly as many things a director producer and the outspoken food critic who could make or break a restaurant with just a few choice words in his compelling Sunday Times Winner's Dinners column But behind the opulence and charm the glamour and the glitz lies the explosive untold story of fiery outbursts and scorching tirades brought to life here in vivid colour by the one woman who remained a constant in his life Impulsive unpredictable and obsessed with the spotlight though generous witty and unshakably loyal if life alongside Winner was to be at the centre of a storm on a constant roller coaster then Dinah May was at its epicentre and holding on for dear life For thirty years the former Miss Great Britain was by Winner's side on film sets studios abroad with famous friends or at his home witnessing first hand the two very different sides of his life character and temperament It was with Michael's blessing and indeed encouragement that she leave nothing out from their story Tell them everything and in this affectionate but candid no holds barred exposé Dinah certainly doesn't disappoint **The British National**
