The Dutch in the Medway (Classic Reprint) Charles Macfarlane, 2017-12-02 Excerpt from The Dutch in the Medway Dictionary of National Biography whose delightful quarterly volumes cost me so many good working days in the year in so much as being consulted they prove so much more fascinating than any mere work of reference has a right to be Brie y Macfarlane the author of The Dutch in the Medway was a wandering Scot who after travelling through half the countries of Europe not in the desultory ten days out and home fashion of modern times but devoting no less than eleven years to Italy and sixteen months to Turkey settled down in London to a life of steady industry as a man of letters and a writer of history and historical fiction About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
